GENERAL NOTES:

1. Reference Commitment for Title Insurance issued by Stewart Title Guaranty Company, countersigned by Washington County Abstract Company, File No. 150541, having an effective date of May 14, 2015 and an issue date of May 26, 2015. No further research for easements or encumbrances was performed by Jones and Carter, Inc.
2. Item No. (1) of Schedule B of said Commitment for Title Insurance mentions Covenants, Conditions, Restrictions and By-laws that are set forth in Volume 953, Page 389, Volume 959, Page 300, Volume 969, Page 135, Volume 991, Page 461, Volume 1021, Page 169, Volume 1027, Page 941, Volume 1028, Page 001 and Volume 1031, Page 924 of the ORWC and Plat Cabinet File No.'s 411A, 414B, 432A, 432B and 436A of the Plat Records of Washington County. These Covenants, Conditions, Restrictions and By-laws do affect the subject tract.
3. Item No. 10(h-i) of Schedule B of said Commitment for Title Insurance mentions mineral and royalty reservations, mineral royalties and reservations are outside of the scope of work for Jones and Carter and were not reviewed. See note 22 below.
4. Item No. 10(j) of Schedule B of said Commitment for Title Insurance mentions Drill Site Tracts described in deed to Doe Run Farm Estates, recorded in Volume 953, Page 389 of the ORWC, and as shown on Plat No. 411A and 432A, recorded in the Plat Records of Washington County. Drill sites do not affect tract and are not shown hereon.
5. Item No. 10(k) of Schedule B of said Commitment for Title Insurance mentions a reservation of a 15 foot wide easement on each side of all tract lines within the subdivision and 15 foot wide easement along the inside of all outer subdivision boundaries, also 15 foot wide along and outside of the right-of-ways of all roads within subdivision. This reservation does affect the subject tract and is shown hereon.
6. Item No. 10(l) of Schedule B of said Commitment for Title Insurance mentions an unobstructed aerial easement 5 feet wide from a plane 20 feet above the ground as stated in Plat Cabinet No. 411A and shown on re-plat in Plat File No. 432A of the Plat Records of Washington County. This easement does affect the subject tract.
7. Item No. 10(m) of Schedule B of said Commitment for Title Insurance mentions 125 foot setback from all roadways and 60 foot setback on all other tract lines (side and rear) as recorded on Plat No. 411A and re-plat Plat No. 432A of the Plat Records of Washington County. These setbacks do affect the subject tract and are shown hereon.
8. Item No. 10(n) of Schedule B of said Commitment for Title Insurance mentions a Subordination of Rights Under Article V (resale of lots) of Second Amended Declaration of Covenants, Conditions and Restrictions, recorded in Volume 1021, Page 167. This item does affect the subject tract.
9. Item No. 10(o) of Schedule B of said Commitment for Title Insurance mentions an easement to Bluebonnet Electric Cooperative, Inc. recorded in Volume 1031, Page 757 of the ORWC, 15 foot on each side of all tract lines and 15 foot wide along all roads within subdivision. This reservation does affect the subject tract and is shown hereon.
10. Item No. 10(q) of Schedule B of said Commitment for Title Insurance mentions a five acre drill site as shown on Plat No. 411A and Plat No. 432A recorded in the Plat Records of Washington County. Drill sites do not affect tract and are not shown hereon.
11. Item No. 10(r) of Schedule B of said Commitment for Title Insurance mentions a 35 foot wide easement to drill site s shown on Plat No. 411A and Plat No. 432A recorded in the Plat Records of Washington County. This easement does not affect tract and is not shown hereon.
12. Item No. 10(s) of Schedule B of said Commitment for Title Insurance mentions Oil, Gas and Mineral Lease, Oil, Gas and Mineral Leases are outside of the scope of work for Jones and Carter and were not reviewed. See note 24 below.
13. Item No. 10(t) of Schedule B of said Commitment for Title Insurance mentions a blanket easement to White Oil Pipeline Company, recorded in Volume 75, Page 81 of the Deed Records of Washington County. This is a blanket easement and cannot be located.
14. Item No. 10(u) of Schedule B of said Commitment for Title Insurance mentions an agreement regarding relocation of easements, recorded in Volume 980, Page 71 of the ORWC. This said easements are not near subject tract and are not shown hereon.
15. Item No. 10(v) of Schedule B of said Commitment for Title Insurance mentions an easement to Bluebonnet Electric Cooperative, Inc. recorded in Volume 1031, Page 757 of the ORWC, 15 foot on each side of all tract lines and 15 foot wide along all roads within subdivision. This reservation does affect the subject tract and is shown hereon. See note 9.
16. Item No. 10(w) of Schedule B of said Commitment for Title Insurance mention mineral royalties and reservations, mineral royalties and reservations are outside of the scope of work for Jones and Carter and were not reviewed. See note 24 below
17. Bearings shown hereon are based on the Texas Coordinate System, Central Zone, NAD 83.
18. This survey does not provide any detemination concerning wetlands, fault lines, toxic waste or any other environmental issues. Such matters should be directed by the client or prospective purchaser to an expert consultant.
19. According to Map No. 48477C0350c o the Federal Emergency Management Agency's Flood Insurance Rate Maps for Washington County, dated August 16, 2011 the subject trat is situated within either: Unshaded Zone "X"; defined as areas determined to be outside 0.2% annual chance floodplain, or Unshaded Zone "D"; defined as areas which flood hazards are undetermined but possible.

    This flood statement does not imply that the property or structures thereon will be free from flooding or flood damage. On rare occasions floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of the surveyor.
20. The surveyor has not been provided wth construction plans showing the location of underground utilities. Underground utilities may exist which are not shown hereon.
21. This survey has been prepared for thesole purpose of the transaction described in the above referenced Title Commitment and the parties listed thereon. This survey is not to beused for any subsequent transactions.
22. Visible improvements/utilities were loated with this survey; no subsurface probing, excavation or exploration was performed for this survey.
23. Fences shown hereon are graphic only with dimensional ties shown at specific locations where they were physically measured. The fence line may meander between said measured locations.
    The dimensions showing the distance between the fence and the property line also indicates which side of the property line the fence is on.
24. Determination of the ownership, location, or development of minerals related to the Subject Tract fall outside the scope of this survey. Such matters should be directed by the client to an expert consultant.
