In consideration of the agreements and obligations of Permittee set forth below, this Land Entry Permit and Release is issued by Landowner to Permittee to allow Permittee access on or across land owned or controlled by Landowner or its affiliates (the "Property") for the purpose of inspecting and evaluating the possible purchase of the Property or a portion thereof from Landowner:

1. Firearms are prohibited on Landowner's Property. Neither Permittee, nor Permittee's employees or agents, may have firearms on Landowner's Property.
2. Permittee's entry is at Permittee's own risk. Landowner advises Permittee that there may be heavy equipment operating on the Property. Permittee acknowledges the Property may be subject to a hunting lease. Permittee must limit its vehicular access to existing roads across Landowner's land. No ATV's or other recreational or sports-type vehicles are allowed on the Property at any time.
3. Permittee may enter Landowner's Property for a period of 30 days from the execution of this Land Entry Permit and Release, unless the entry period is extended in writing by Landowner. Landowner may revoke this Land Entry Permit at any time in Landowner's sole discretion.
4. Nothing in this document should be construed to limit the rights of Landowner, its successors, tenants, or assigns, or their use of the Property.
5. Landowner, its affiliates, and their respective managers, employees and agents (herein separately and collectively referred to as "Landowner Personnel") may not know what conditions exist upon the Property. Landowner Personnel do not make any warranty or representation of any type, kind or character, whatsoever, as to conditions existing or that may hereafter exist upon the Property, or any improvements thereto. Permittee, its employees, agents, and contractors (herein separately and collectively referred to as "Permittee Personnel"), enter upon the Property at their own risk, and specifically accept the Property in its then existing condition, and unconditionally release Landowner and Landowner Personnel from all liabilities, costs, expenses, claims and damages for which Landowner and/or Landowner Personnel might otherwise become liable by reason of any accidents, or injuries to or death of any persons, including Permittee, or damage to property, or both, in any manner arising or resulting from, caused by, connected with or related to the presence of any such person or property upon the Property, regardless of how, where, or when such injury, death or damage occurs, even if caused by the negligence of Landowner and/or Landowner Personnel, or due to conditions on or defects in the Property.
6. By entering the Property or any other property owned or controlled by Landowner, Permittee agrees to unconditionally indemnify, defend and hold harmless Landowner and/or Landowner Personnel from, against and in respect of (i) any and all actions, causes of action, suits, claims, demands, judgments, proceedings and investigation, of any kind whatsoever arising out of, by reason of, as a result of or in connection with the presence of Permittee Personnel on the Property; and (ii) any and all liabilities, damages, losses, costs, expenses (including attorney's fees and the expenses and disbursements of counsel), amounts of judgments, assessments, financial penalties and amounts paid in compromise of settlement, suffered, incurred, or sustained by Landowner and/or Landowner Personnel as a result of, by reason of, or in connection with the actions of Permittee Personnel.

A facsimile signature shall be treated as an original. Paragraphs 5 and 6 of this document survive the termination, expiration or revocation of this Land Entry Permit and Release.
