Driven Concrete Piers:

Proposal:

Date: 5/4/06 Work #: _____
Name: Lori Henisay Home #: (281) 444-0850
Address: 27906 Bent Oak City: Magnolia State: TX Zip: 77354

We hereby submit specifications and estimates for Foundation Corrections, providing the following:

1. Inspect and raise to grade or to highest point any area where needed and reinforce exterior beam of home for additional strength.
2. Install driven concrete piers to point of refusal.
3. The Company will stabilize and secure the foundation at a feasible level.
Number of piers: -0-
4. Company is Bonded and Insured, all work is guaranteed.
5. All foundation constructed as a floating slab with beams or a beam shall be issued a Lifetime Service Agreement. Unconditional with a Transferrable Warranty upon completion of work.
6. Premises will be cleaned of all debris.
7. Company is responsible for water and gas lines to the house. Those lines are freed up by trenching where necessary. Company is however not responsible for cast iron plumbing lines especially sewer lines due to age, deterioration, and degradation. The above caption has been fully explained by our representative.
