THE VINTON HIGHLIGHTS

- A grand two-story foyer uncovers an elegant curved stair and stellar living and dining rooms.
- The two-story family room features a standard cozy fireplace that is framed by radiant windows.
- This open kitchen offers a large center island with breakfast bar, a walk-in pantry, and an adjacent sunlit breakfast area.
- The rear of the home features an outdoor living area with enough space to accommodate any social gathering.
- A notable master bedroom includes an eleven-foot tray ceiling, two immense walk-in closets, and an impressive master bath with a glass-enclosed shower, dual-sink vanity, and separate soaking tub.
- Second floor includes a generous gameroom perfect for entertaining.
- Additional features include a private study with a double-door entry and walk-in closets for all bedrooms.

TWO-STORY FAMILY ROOM
