

A part of Downtown Houston's history for over forty-eight years!

Completed in 1964, 2016 Main Condominiums enjoys the distinction of being the first high-rise residential in Downtown Houston. Located on the corner of Main Street and Gray, next to the Pierce Elevated, this 26-story residential tower features spectacular views of Downtown Houston and surrounding areas.

2016 Main's residents are only minutes away from Downtown Houston, Minute Maid Park, The Pavilion Shops, the Houston Convention Center, the Theatre District, and the University of Houston Downtown in one direction, with the Museum District, Hermann Park and Zoo, and the world-renowned Medical Center in another direction. The metropolitan train runs right by the side of 2016 Main and highways I-45, US-59, and 288 are easily accessible.
