As of this date, the rate of taxes levied by the district on real property located in the district is \$1.32 on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of tax, as of this date, is \$ \_\_\_\_\_ on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued in \$208,585,000.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or in part from property taxes is \$59,385,000.00.

2) The district has the authority to adopt and impose a standby fee on property in the district that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$ \_\_\_\_\_. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

## IMPORTANT NOTICE REGARDING WIRE FRAUD

Wire fraud has become a major issue in real estate transactions locally and across the nation. To help protect you and your funds, RE/MAX Legends **highly** recommends a cashier's check for closing funds. If a wire is needed or required, proceed with extreme caution. **It is imperative for you to personally verify wiring instructions with the title company directly via a confirmed phone number before sending any wire.**

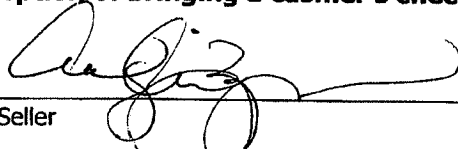

Your Realtor will never send you wiring instructions. RE/MAX Legends will never send you wiring instructions. If you receive any wiring instructions that appear to be from your Realtor and/or from RE/MAX Legends, assume they are fraudulent and immediately call your agent to discuss. You can call RE/MAX Legends at 281-440-7900.

The contract for your home should have the title company's main phone number listed on it, or you can contact your Realtor or a RE/MAX Legends team manager (281-440-

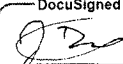

7900) to be provided with the appropriate information. **If you receive wiring instructions from the title company, you must personally call the title company and confirm the instructions.** Each title company will have their own method of delivery when providing wiring instructions and can discuss those methods with you directly via phone.

There have been many cases this year, both locally and throughout the country, in which a buyer or seller unknowingly received fraudulent wiring instructions, wired funds to the fraudulent account, and therefore lost their money. We do NOT want this to happen to you! Be aware & be diligent.

**By signing this notice, you are stating that you understand that wire fraud is a serious issue. You understand and agree that you are responsible for the protection of your funds and for confirming wiring instructions for your transaction directly via phone with the title company. You also understand that you have the recommended option of bringing a cashier's check to closing, made payable to the title company.**
