

Oak Forest

1236 Thornton Road

3,714 square foot home on a 7,324 square foot home-site

Award-winning custom builder Jamestown Estate Homes presents an updated craftsman style home with a beautiful covered front porch.

This thoughtfully-designed home features an open kitchen, dining, breakfast and family room that flow seamlessly for endless entertainment options. In the master suite, the closet opens to the laundry room for convenient access. Upstairs, three additional bedrooms, a gameroom and a media room complete this exceptional home. Don't miss large outdoor living space just off the breakfast room!
