Q. When does coverage begin and when does it end?

A. Coverage begins 30 days after enrollment and receipt of applicable contract fees and continues for 365 from your start date. If you are able to provide proof of prior coverage through another warranty carrier, showing no lapse of warranty coverage, CHW may start your new coverage when your old policy expires.

Q. How many service calls can I make?

A. As many as you need. There is no limit to the number of times you can call for covered repairs during your contract term.

Q. Does a home warranty cover older systems and appliances?

A. A home warranty provides repair or replacement of all covered systems and appliances that were in the home and in proper operating condition on the agreement effective date, and that have been properly installed and maintained, no matter their age, make or model.

Q. How do I know my service technician is qualified?

A. All CHW Service Vendors are pre-screened, licensed, and independently insured. Performance is constantly monitored to ensure quality work and professionalism. Your satisfaction is our biggest priority.

Q. Can I renew each year?

A. Yes, the plan may be renewable. In that event, you will be notified of the prevailing rate and terms of renewal.

Q. Why should I renew my CHW Warranty if I haven't made any service calls?

A. Your home systems or appliances can break down at any time – usually when you need them most. That's why it's important to continue the protection and peace of mind you get from your Choice Home Warranty.

YOUR HOME SERVICE AGREEMENT

A. COVERAGE

This Home Service Agreement will be administered by HWAT, Inc., dba Home Warranty Administrators (HWA).

During the coverage period, HWA's sole responsibility will be to arrange for a qualified service contractor ("Service Provider") to repair or replace, at HWA's expense (up to the limits set forth below), the systems and components mentioned as "Included" in accordance with the terms and conditions of this contract so long as such systems and components:

1. Are located inside the confines of the main foundation of the home or attached or detached garage (with the exception of the exterior pool/spa, well pump, septic tank pumping and air conditioner); and
2. Become inoperative due to normal wear and tear; and
3. Are in place and in proper working order on the effective date of this home warranty contract.

This contract does not cover any known or unknown pre-existing conditions. It is understood that HWA IS NOT A SERVICE PROVIDER and is not itself undertaking to repair or replace any such systems or components. This contract covers single-family homes (including manufactured homes), new construction homes, condominiums, townhomes, and mobile homes under 5,000 square feet, unless an alternative dwelling type (i.e. above 5,000 square feet or multi-unit home) is applied, and appropriate fee is paid. Coverage is for occupied, owned or rented residential property, not commercial property or residences used as businesses, including, but not limited to, day care centers, fraternity/sorority houses, and nursing/care homes. This contract describes the basic coverage and options available. Coverage is subject to limitations and conditions specified in this contract. Please read your contract carefully.

B. COVERAGE PERIOD

Coverage starts 30 days after acceptance of application by HWA and receipt of applicable contract fees and continues for 365 days from that date. Your coverage may begin before 30 days if HWA receives proof of prior coverage, showing no lapse of coverage, through another carrier within 15 days of the order date.

C. SERVICE CALLS – TO REQUEST SERVICE: 1-888-531-5403

1. You or your agent (including tenant) must notify HWA for work to be performed under this contract as soon as the problem is discovered. HWA will accept service calls 24 hours a day, 7 days a week, 365 days a year at 1-888-531-5403. Notice of any malfunction must be given to HWA prior to expiration of this contract.

2. Upon request for service under normal circumstances, HWA will contact an authorized Service Provider within 48 hours after the contract holder requests the services. The authorized Service Provider will contact You to schedule a mutually convenient appointment during normal business hours. HWA will determine what repairs constitute an emergency and will make reasonable efforts to expedite emergency service. If you should request HWA to perform non-emergency service outside of normal business hours, you will be responsible for payment of additional fees and/or overtime charges.

3. HWA has the sole and absolute right to select the Service Provider to perform the service; and HWA will not reimburse for services performed without its prior approval.

4. You will pay a trade service call fee ("Service Fee") per claim (amount shown on page one) or the actual cost, whichever is less. The Service Fee is for each visit by a HWA approved Service Provider, except as noted in this Section III (E), and is payable to the HWA approved Service Provider at the time of each visit. The service fee applies to each call dispatched and scheduled, including but not limited to those calls wherein coverage is included, excluded, or denied. The service fee also applies in the event You fail to be present at a scheduled time, or in the event You cancel a service call at the time a service contractor is in route to your home or at your home. Failure to pay the Service Fee will result in suspension or cancellation

of coverage until such time as the proper Service Fee is paid. At that time, coverage may be reinstated; however, the contract period will not be extended.

5. If service work performed under this contract should fail, then HWA will make the necessary repairs without an additional trade service call fee for a period of 90 days on parts and 30 days on labor.
