

## CONTACT INFORMATION FOR FIBER OPTIC PROBLEMS

HOA's manager, Gail Thompson, has fielded a number of questions from homeowners who have experienced damage to their irrigation and water lines caused by AT&T contractors installing fiber-optic cable. If you are a homeowner who has damaged irrigation or water lines, here is the contact information:

Omar Soto  
GW Communication Solutions, LLC  
Cell: (281) 620-2402

Note: Please document damage by sending photos to: [omar.soto@glassandwire.com](mailto:omar.soto@glassandwire.com)
