

The Owners Would Like You To Know...

We have lived here for 5 years and will miss this great community. During this time, we have happily updated and maintained the home. Here are a few of the things we have done over the years:

1905 Vineyard Hill Ct.

1. Water softener installed.
2. All of the flooring replaced downstairs (except laundry room, tiled areas, or master bedroom).
3. Kitchen counter changed to granite.
4. Under mount sink installed.
5. Changed all appliances to stainless steel.
6. Refinished cabinets and installed hardware in kitchen, upstairs bathroom, and master bathroom.
7. Installed track lighting in kitchen and formal dining room (our game room).
8. Changed out ceiling fan outside.
9. Installed bigger ceiling fan in living room.
10. Installed new ceiling fan in upstairs kid's game room.
11. Installed tile flooring in upstairs bathroom.
12. Upgraded upstairs and master bathroom to water conservation toilets.
13. Changed out upstairs and master bathroom sink faucets
14. Changed out entry way chandelier.
15. Installed solar screens on windows
