## 628 CATFISH LANE, CONROE, TX 77384

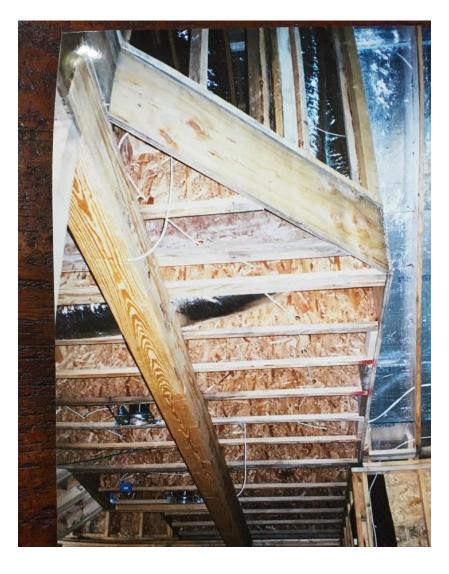

Owner known for his meticulous nature and attention to detail. Photo displays his nature in the layout of the electrical panel during construction. Notice how neat and orderly this panel is.

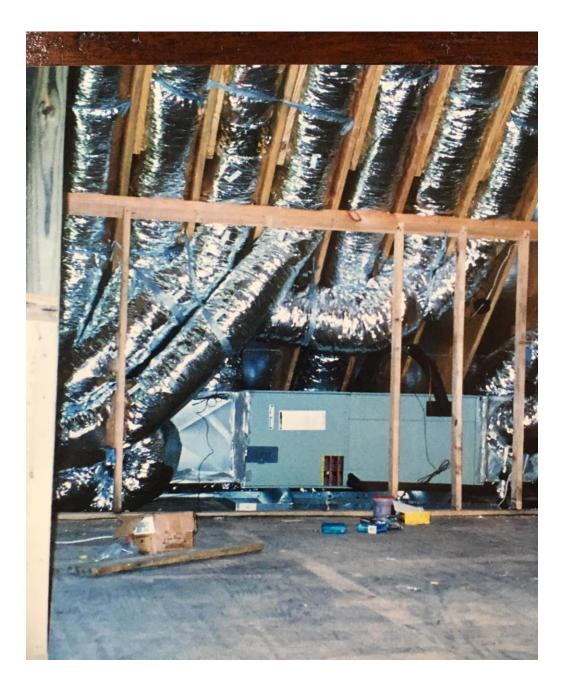

"Pex Manabloc" system. Plumbing panel much like the electrical panel, labeled with individual hot and cold shut offs for each location for ease of repairs.

3<sup>rd</sup> floor cantilever showing I beam floor joists with radiant barrier roof decking in background.

A/C work

Foundation preparation. Engineered soil composition based pad.

## Hurricane strapping
