Independent School District

**Lago Vista ISD** is located in Travis County on the north shore of Lake Travis and is part of the greater Austin metropolitan area. The District encompasses 35 square miles and serves the cities of Lago Vista, Point Venture, and South Jonestown Hills.

The first school in the Lago Vista area was established in 1895 as a one room, one teacher, and one student school district. In 1973, a small elementary/middle school was constructed on Dawn Drive and in 1975, Lago Vista ISD became a K-12 system. Construction of the first high school building was completed in 1976. Our student enrollment for 2017-2018 reached 1,483 students. From the 1999-2000 school year, District enrollment has grown by about 40%.

### Tax Rate

Lago Vista is one of only a few school districts still offering an additional 20% homestead exemption from taxation, which provides homeowners one of the lowest tax bills in the area.
