

LETTER FROM THE SELLERS OF
17910 LOGANS PINE DR, TOMBALL

Thank you very much for viewing the house today. We made many happy memories here, and have enjoyed our time with our friends and neighbors. Our plan for moving on is to find a home that is a bit closer to our jobs so that we can spend more time with our amazing children.

Thank you very much for considering 17910 Logans Pine. We know that you will enjoy your time here, as well as the close proximity to many great attractions, shopping, the high sought after schools, and the community. The ease of access to several highways will lead you quickly to most areas in the surrounding Houston area. We hope that whoever purchases this home will experience as much love and cherished memories as we have here.
