

Why we love this house

-what the owners are saying

- Home is located on a quiet road with plenty of natural privacy
- Our high speed internet. With fiber cable and internet you're always able to stream!
- The garage has been upgraded for hobbyist work with plenty of lighting, shelving, and insulated garage doors
- The large upstairs gameroom offers plenty of room for kids to play
- Enjoyed getting two dozen peaches from the peach tree in the front yard
- The large outdoor patio (20x16) is a nice quiet place to wind down after a long day
- Custom-built playset can be used by kids of a wide age range with commercial grade rubber mulch and equipment. The play set is even home to a baby bird!
- Nest cameras in the front and back door make it easy to check who is coming and going
- Nest A/C controls and carbon monoxide sensors keep the home cool and safe
- Custom-built sliding barn door and stair gates look great and help keep kids or pets out of areas
- Our neighborhood makes a mile loop. Great for bike riding and family walks!
