## Notice to a Purchaser of Real Property in a Water District

NOTICE FOR DISTRICTS LOCATED IN WHOLE OR IN PART IN THE EXTRATERRITORIAL JURISDICTION OF ONE OR MORE HOME-RULE MUNICIPALITIES AND NOT LOCATED WITHIN THE CORPORATE BOUNDARIES OF A MUNICIPALITY

The real property, described below, that you are about to purchase is located in the Montgomery County M.U.D. # 9 District. The district has taxing authority separate from any other taxing authority and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the district on real property located in the district is \$0.41 on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of tax, as of this date, is \$N/A on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued in \$35,450,000.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or in part from property taxes is \$19,860,000.00.

The district has the authority to adopt and impose a standby fee on property in the district that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$N/A. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

The district is located in whole or in part in the extraterritorial jurisdiction of the City of Conroe. By law, a district located in the extraterritorial jurisdiction of a municipality may be annexed without the consent of the district or the voters of the district. When a district is annexed, the district is dissolved.

The purpose of this district is to provide water, sewer, drainage, or flood control facilities and services within the district through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property you are acquiring is as follows:

### DISCLOSURE OF RELATIONSHIP WITH RESIDENTIAL SERVICE COMPANY

**RESIDENTIAL SERVICE CONTRACTS.** A residential service contract is a product under which a residential service company, for a fee, agrees to repair or replace certain equipment or items in a property. Co-payments typically apply to most service calls. Residential service companies are licensed and regulated by the Texas Real Estate Commission. The extent of coverage and the cost of coverage will vary. Before buying a residential service contract, the buyer should read the contract and consider comparing it with the extent of coverage and costs from several other residential service companies. You may obtain a list of the residential service companies licensed in Texas at <http://www.trec.texas.gov>. **YOU MAY CHOOSE ANY COMPANY.**

**THE PURCHASE OF A RESIDENTIAL SERVICE CONTRACT IS OPTIONAL.** The TREC promulgated residential contract forms contain a paragraph in which the parties may negotiate whether the seller will reimburse the buyer the cost of a residential service contract. The choice of the residential service company and extent of coverage lies with the buyer. **NEITHER A BROKER/SALES AGENT NOR A SELLER MAY CONDITION THE SALE OF A PROPERTY ON THE BUYER'S PURCHASE OF A RESIDENTIAL SERVICE CONTRACT.**

The compensation is not contingent upon a party to the real estate transaction purchasing a contract or services from the residential service company.

The compensation is the fee for the services that Listing Broker or Other Broker, either directly or through an agent, provides to the company. As required by the Real Estate Settlement Procedures Act and HUD Regulation X, any fees paid to a settlement services provider are limited to the reasonable value of services actually rendered.
