)

This Declaration made on the date hereafter set forth by ALDERS DEVELOPMENT CORPORATION, hereinafter referred to as "DEVELOPER,"

W I T N E S S E T H :

That, WHEREAS, Developer is the owner of that certain property out of the Theodore Dorsett Survey, Abstract No. 27, Liberty County, Texas, as shown on a final Plat or Map prepared by Julienne Hardin, Registered Public Surveyor, designated as "WALNUT CREEK SUBDIVISION" as filed for record in Vol. 9, Page 96-97, of the Map or Plat Records of Liberty County, Texas.

ARTICLE I

DEDICATION AND RESERVATIONS

NOW, THEREFORE, Developer does hereby subdivide and plat said land into lots as shown on said Map or Plat for the purpose of establishing a subdivision to be known as "WALNUT CREEK SUBDIVISION," and does hereby dedicate all streets, utility, drainage and other easements shown upon said Map or Plat to the public, but expressly reserving unto Developer, its successors or assigns, the following rights, titles and easements, which reservations shall be referred to and made a part hereof and construed as being adopted in each and every Contract, Deed or other conveyance executed or to be executed by or on behalf of Developer conveying said property, or any part thereof. The restrictions for Lots set forth in ARTICLE III hereof shall not apply to the reserve areas displayed on the plat.

Section 1: Developer reserves the exclusive right to construct and maintain, or cause to be constructed and maintained, in, over, upon, along and under the streets of WALNUT CREEK SUBDIVISION, and in the easements shown on the Map or Plat of said subdivision, all pipes, conduits and appurtenances necessary and proper for the maintenance of a system of drainage, to serve the residents of said subdivision. In such connection and in order to perform any and all functions of Developer that in the Developer's opinion are necessary to further or complete the development of WALNUT CREEK SUBDIVISION, Developer reserves the right to come upon and cross any of said land at all reasonable times.

Section 2: Neither Developer nor utility companies using the easements hereinafter referred to shall be liable for any damage done by them or their assigns, their agents, employees or servants, to shrubbery, trees, flowers or other property situated on the land covered by said easements.

Section 3: It shall be expressly agreed and understood that the title conveyed by Developer to any lot or parcel of land in WALNUT CREEK SUBDIVISION by Contract, Deed or other

conveyance shall not in any event be held or construed to include the title to any of the instrumentalities constructed by Developer or any utility company along any of said streets or easements for the purpose of providing water, gas, storm sewer, electric power, telephone communications or any other utility, to serve any portions of the subdivision, and the right to maintain, repair, sell or lease such lines, utilities and appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party, is hereby expressly, but not exclusively, reserved in Developer.

ARTICLE II
EASEMENTS

Developer reserves the ten (10')-foot utility easements and drainage easements as shown on the heretofore-mentioned Plat for the purpose of constructing and maintaining utilities of all types, including drainage. With such easements, no structure, planting or other materials shall be placed or permitted to remain which shall interfere with the installation and maintenance of such utilities, which may change the direction or flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels. Such easement area within any lot shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company assumes responsibility.

The Developer, its successors and assigns, does not assume (and will never assume) the obligations for constructing a sanitary sewer system for all of said subdivision, and each owner of each lot shall have the sole responsibility to construct and maintain his own sewerage facilities and same must be in strict compliance and under permit of the State, County and City Health Departments or other regulatory agency and applicable laws. No outside toilets may be constructed on any lot.

Section 7: The construction of any improvement on any lot shall be completed within nine (9) months from the commencement of construction, unless an extension in such time is granted in writing by the Developer, and no structure shall be deemed to be completed until its exterior is painted and otherwise finished in a reasonable manner.

Section 8: Reasonable plans depicting the proposed construction of a residential structure and/or any addition to the residence or mobile home on a lot shall be submitted to the Developer prior to commencement of construction or placement so that Developer may determine that such construction or placement is in conformity with this Declaration and approval must be given in writing.

Failure by the Developer or any lot owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
