RE: 16027 Fathom Ln.  
Houston, Tx 77062

Hi, I attached the estimate for the garage below. Allied Foundation will install 12 piers around the garage & level the garage back to its original construction line. This will be a 1 day job & at a discounted price from \$3,000 to \$2,400. Payment due upon completion. In addition, I will have my crew re-mortar the cracks on the exterior at no additional cost. Our piers do come with a full lifetime transferable warranty so we gotcha covered. At the time of inspection, the house is level within specs and no need for foundation work is needed at this time. If you have any questions please give me a call! Thank you!

-Jacob Frick, Manager

Best Regards,  
Allied Foundation Specialists
