

Items needed for Lease application

- TREC Lease application filled out (each person over the age of 18 living in the home)
- Copy of 2 most recent paystubs
- Copy of drivers license

Please email paperwork to email – texasrealestatefamily@gmail.com

Leave the address portion of the application blank; we will fill that in for you once we have located a home for which you would like to apply. Typically most properties require an application fee of about \$45.00 per person over the age 18, in the form of a cashier's check to be delivered or mailed to the designated real estate office. This usually must be done before they will process the application. Once we have decided on the property you would like to submit an application on, I will be in touch on how to get the application and application fees delivered, and processed.

Many Thanks,
