Dear Potential Buyer,

Putting our home up for sale has been one of the more bittersweet decisions we've had to make as a couple. My job has presented me with an opportunity in which I need to relocate to Georgia for so we unfortunately have no option. We bought this house 4 years ago with the intent to raise our kids in it and we LOVE it. Our daughter is 18 months old and is in walking distance to multiple amazing schools as well as parks. Not to mention, there are family friendly restaurants and bars only blocks away. We were so excited about being around all this stuff that we even bought a golf cart to get our family to place to place. We've put a lot of money in to our home, but more importantly we've loved every second of the time we've spent in it together. From the pool, to the yard, to the large open spaces that we've used to have our family over for the holidays, we couldn't have asked for anything more. It's with a lot of sadness we need to leave, but hope that someone else can find as much joy as we have in living in this beautiful house.

With warmest wishes,

Matt and Sadie Sedley
