1 Year Builder Warranty

Coverage under this limited warranty provided by Gabay Custom Builders, Inc. is expressly limited to construction defects which occur during the 1st year of occupancy. The one year warranty begins on the day of closing and extends for one year from that date. Our obligations under this limited warranty apply to workmanship actually performed and materials actually installed in the home that may become defects. All the equipment such as, appliances, air condition units and water heaters come with a Manufacturer Warranty that span a range of 1 year to 5 years depending on the unit. During the warranty period we, Gabay Custom Builders, Inc., warrant that the home will be free of construction defects. Our obligation under this warranty requires that we must receive notice of the defect as soon as reasonably possible after you become aware of the alleged defect. The 1 year warranty also covers against caulking and paint shrinkage that usually occur after the first heating season in the home. We offer a one time visit to resolve the caulking and paint shrinkage issue.
