

Upgrades, Extra Features, Furniture & Decor for Sale

This beautiful home features many upgrades above and beyond the original builder floor plan:

- Wood floors throughout home, including bedrooms (standard is carpet in bedrooms); tile in laundry room & baths
- Upgraded kitchen venthood that is more powerful, also vents to outside
- Brick pavers in side yard (standard is grass)

The seller-occupants have taken meticulous care of the property. No pets or children live in the home.

Refrigerator, washer, dryer negotiable. Furniture and décor for sale at an additional price or add to sales price.
