Concerning the Property at 902 Cactus Ridge Court, Friendswood, TX 77546 If the answer to any of the items in Section 3 is yes, explain (attach additional sheets if necessary): There was a design flaw in the roof which created a small low spot for water to pool during very heavy rain. This was detected during Hurricane Harvey, when a small leak developed under this low spot, where the rain could not drain quickly enough. A roofing company corrected the roof structure in that spot and roofed with matching shingles. There have been no further leaks. *A single blockable main drain may cause a suction entrapment hazard for an individual. Section 4. Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair, which has not been previously disclosed in this notice? ves no If yes, explain (attach additional sheets if necessary): Section 5. Are you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware and check wholly or partly as applicable. Mark No (N) if you are not aware.) Present flood insurance coverage (if yes, attach TXR 1414). Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reservoir. Previous flooding due to a natural flood event (if yes, attach TXR 1414). Previous water penetration into a structure on the Property due to a natural flood event (if yes, attach TXR 1414). Located Wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE, AO, AH, VE, or AR) (if yes, attach TXR 1414). Located ✓ wholly ☐ partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)). \square Located □ wholly □ partly in a floodway (if yes, attach TXR 1414). Located □ wholly □ partly in a flood pool. Located ☐ wholly ☐ partly in a reservoir. If the answer to any of the above is yes, explain (attach additional sheets as necessary): FEMA rated flood zone X. moderate to low risk for floods. We have a Preferred Risk flood insurance policy. This home did not flood during Hurricane Harvey. *For purposes of this notice: "100-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.

(TXR-1406) 09-01-19

Initialed by: Buyer: _____ and Seller:

Page 3 of 6

[&]quot;500-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.

[&]quot;Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.

[&]quot;Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).

[&]quot;Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

[&]quot;Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

pr	ovide	6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance r, including the National Flood Insurance Program (NFIP)?* ☐ yes ☑ no If yes, explain (attach al sheets as necessary):
	Even risk, a	es in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the ure(s).
A	dminis	7. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business stration (SBA) for flood damage to the Property? ☐ yes ☑ no If yes, explain (attach additional is necessary):
		8. Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) re not aware.)
<u>Y</u>	N Ø	Room additions, structural modifications, or other alterations or repairs made without necessary permits, with unresolved permits, or not in compliance with building codes in effect at the time.
		Homeowners' associations or maintenance fees or assessments. If yes, complete the following: Name of association: West Ranch Homeowners Association Manager's name: RealManage Phone: 866-473-2573 Fees or assessments are: \$1250 per year and are: ☑ mandatory ☐ voluntary Any unpaid fees or assessment for the Property? ☐ yes (\$) ☑ no If the Property is in more than one association, provide information about the other associations below or attach information to this notice.
Ø	Q	Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided interest with others. If yes, complete the following: Any optional user fees for common facilities charged? □ yes ☑ no If yes, describe:
		Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.
		Any lawsuits or other legal proceedings directly or indirectly affecting the Property. (Includes, but is not limited to: divorce, foreclosure, heirship, bankruptcy, and taxes.)
	Ø	Any death on the Property except for those deaths caused by: natural causes, suicide, or accident unrelated to the condition of the Property.
	abla	Any condition on the Property which materially affects the health or safety of an individual.
		Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold. If yes, attach any certificates or other documentation identifying the extent of the remediation (for example, certificate of mold remediation or other remediation).
	Ø	Any rainwater harvesting system located on the Property that is larger than 500 gallons and that uses a public water supply as an auxiliary water source.
		The Property is located in a propane gas system service area owned by a propane distribution system retailer.
		Any portion of the Property that is located in a groundwater conservation district or a subsidence district.
		swer to any of the items in Section 8 is yes, explain (attach additional sheets if necessary): Homeowners annual dues maintain two community pools and splash pad, playground, and common grounds and walking paths.

ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit www.txdps.state.tx.us. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review *Information Regarding Windstorm and Hail Insurance for Certain Properties* (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
