

Information About Square Footage

Measuring the square footage of a home is not exact science. Calculations can vary based on the measurement, the information available and the age of the calculation. **Elite Agents, it's affiliates and its agents do not measure for or calculate square footage for the home it lists or assists you in buying.** If the square footage of the house you are interested in purchasing is a factor in your decision, you are encouraged to have the measurement calculated by a qualified professional such as an appraiser, engineer or architect.

In marketing this home, Elite Agents, it's affiliates and its agents were provided with the following square footage calculations, provided by the following resources:
