FEATURES: This home has been completely remodeled & is move-in ready! NEVER FLOODED!! Gorgeous refinished hardwood floors in the living area & bedrooms and new marble-look tile in the kitchen & bathrooms. The kitchen is a chef's dream featuring custom built cabinets with soft close doors/drawers, quartz countertops, large island & stainless appliances. Directly off the living room is a cozy study/reading nook perfect for a home office or children's study space. The large master has 2 walls of windows & a completely remodeled ensuite bathroom with a large shower and custom walk-in closet. The garage was converted to an extra room but can easily be converted back. All new electrical wiring, outlets, plumbing, fixtures, windows, toilets, doors, vanities & much more! Minutes to The Galleria, NRG, TMC & Downtown. This home won't last long!
