Waste collection service is not exclusively limited to the use of the trash container; any residential refuse not contained within the trash container cart will be serviced as long as it's contained in additional containers less than 40-gallons each or boxed, bagged or bundled weighing less than 40-pounds. Tree, shrub and brush trimmings not contained within the cart must be bundled in lengths no greater than 4-feet and weighing less than 40-pounds and branches with a maximum diameter of 3-inches, and placed at the curb alongside the trash container.
