

## Samsung 25.5-cu ft French Door Refrigerator with Ice Maker (Stainless Steel) ENERGY STAR

Sleek and roomy, this French door refrigerator is an attractive accompaniment to any kitchen decor. Adjustable spill-proof sliding glass shelves prevent messes from spreading, while providing easy access to items in the back of the refrigerator and making room for large foods and beverages. Six adjustable gallon door bins hold milk jugs or other large containers, and two humidity-controlled crispers keep fruits and veggies fresh. The temperature-controlled CoolSelect Pantry drawer is wide enough to hold a party platter, yet is ideal for everyday needs like storing meats, cheeses and snacks, or for safely defrosting items. Twin Cooling Plus maintains separate humidity levels in the refrigerator and freezer, so your food stays in the best condition. Open the spacious, pull-out freezer and the top drawer automatically slides out, giving you easy access to frequently used items as well as the in-freezer ice maker. Samsung French door refrigerator features a flexible interior and modern, stainless steel exterior Twin Cooling Plus maintains separate humidity levels in the refrigerator and freezer for optimal food storage conditions Ice maker in the freezer means more shelf space in the refrigerator and easy access to bulk ice ENERGY STAR certified products help you save money on utility bills without sacrificing performance, style or comfort Spill-proof tempered glass shelves include 1 slide-in and 3 slide-out shelves that adjust to fit your storage needs 6 adjustable gallon door storage bins hold beverages or other large containers High efficiency LED lighting that beautifully brightens every corner of your refrigerator while emitting less heat and being more energy efficient than conventional lighting EZ-Open freezer handle lifts up and glides out the drawer effortlessly, even when it's fully loaded
