**STATUTORY NOTICE TO PURCHASERS OF REAL PROPERTY
UNDER SECTION 49.452 (B)**

The real property, described below, that you are about to purchase is located in the Trinity Bay Conservation District. The district has taxing authority separate from any other taxing authority and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the district on real property located in the district is \$0.41210 on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of debt service tax, as of this date, is \$0.00000 of each \$100 of assessed valuation. The total amount of bonds approved by the voters and which may, at this date, be issued is \$0.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or part from property taxes is \$0.00.

The purpose of this district is to provide water, sewer, drainage, or flood control facilities and services within the district through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property you are acquiring is as follows:
