

KNIGHT ENGINEERING SERVICES, INC LIFETIME WARRANTY

0501186
CERTIFICATE #

This certificate confirms that Knight Engineering Services, Inc. restored the foundation at

1011 Hamblen Road, #107
Kingwood, Texas 77339

Using the Aligned and Measured Pile system.

Knight Engineering Services, Inc. is proud to offer a lifetime warranty that is transferable to future owners. Said warranty applies exclusively to slab-on-grade installations by Knight Engineering Services, Inc. This warranty does not include repair of any cracks in walls, floors or other parts of the structure. If the area previously underpinned by Knight Engineering Services, Inc. should settle, we will readjust these areas at no additional charge to the homeowner.

This warranty will become null and void if:

- 1) The structure is on a fault line which affects the supports, 2) An excavation adjacent to the home causes support failure, 3) The foundation is affected by soil slumping, plumbing leaks, or erosion.
