

The owners purchased this home a little over 4 years ago. Since they have moved in they have made the following updates;

*448 Sqft Workshop/guest quarters built

*224 of it is converted into a bedroom

The rest is a full bathroom, 2 closets, and storage for your lawn equipment and toys. Full bathroom has walk-in shower. Split A/C system, LED lights, roll up door for tool/storage area.

*Rock pathway to guest quarters/shop

*Septic system mechanical equipment has been mostly replaced

*Shutters replaced

*Porch and garage door painted

Inside the home

*All flooring

*All kitchen appliances, cabinets, backsplash and countertops

*Fresh paint throughout

*Both bathrooms completely remodeled, upgraded dual flushing toilets, deep soaker tubs. Everything was new.

*Blinds installed throughout.

*All light fixtures replaced, most have LED bulbs

*Exterior doors new

*All interior doors repainted, new hardware and hinges.

*Almost all furniture, including refrigerator and washer/dryer, are for sale and negotiable.

*Decking in the attic for storage

This home is gorgeous, clean and move-in ready!! Brick on 4 sides, gutters, stone drainage around slab, fruit trees, and much more!
