CITY INFORMATION

Surfside Beach, also known locally as Surfside, is a city in Brazoria County, Texas that is situated on the Gulf of Mexico near the city of Freeport.

Home to four miles of pristine shoreline, one-of-a-kind restaurants, and colorful surf shops, this unique Gulf Coast getaway has something for everyone. Located just an hour from Houston, Surfside Beach offers an easygoing escape from the hustle and bustle of the big city. Surfside Beach is much more than a sun-bather's paradise. The deep waters just off the coastline create ideal conditions for surfing, kayaking, and wind surfing. For all the time you could spend enjoying the beach life, there's more going on. Fishing is one of the most popular pastimes in Surfside Beach. Cast your line from the shore or the jetty, or charter a deep-sea fishing trip for the chance to snag a shark or tuna. The village is also a wonderland for bird watching enthusiasts as more than 200 species of birds, including roseate spoonbills, sandhill cranes, and an array of herons and egrets has been spotted here. The village's abundance of outdoor adventures will likely leave you famished. Fortunately, you won't have to go far for a great meal. If you're in the mood for straightforward American fare or delicious seafood, you'll find it here.
