

Bosch 36" French Door Refrigerator. This refrigerator is designed to deliver a clean, integrated, built-in look, while keeping the food fresh. Includes extra bright interior LED lights, a MultiAirFlow system which keeps temperatures consistent and a SuperCool feature allowing warm food to be cooled quickly. The SuperFreeze allows frozen foods and ice cream to remain frozen when warm foods are added to the freezer. With a quick push of the SuperFreeze button, you'll be able to freeze warm foods and the original freezer will reset after 24 hours. The digital display (via LED) is clear to read and easy to use.

Thermador 36" Pro-Style Gas Rangetop with 6 Pedestal Star Burners. This unit features 6 Star Burners. Star Burners create a perimeter 56% longer than a round burner of the same size, which allows the inclusion of more flame ports. The result is a stove burner that delivers superior flame spread and a reduced cold spot for faster and more even heating across any size pan. Star Burners boil water over 50% faster than leading competitors. The ExtraLow feature provides the widest variety of temperature control of any simmer system. It cycles on and off to maintain temperatures as low as 100°. Perfect for simmering delicate sauces or keeping food warm without scorching.

Bosch Dishwasher, The industry's best performing dishwasher helps deliver impeccable washing and drying performance. This fully integrated dishwasher features four stainless steel wash arms that help ensure water reaches every corner of the tub for exceptional cleaning. A Heat Dry option and durable, stainless steel tub help ensure dishes are dry when the cycle ends.
