Exterior elevation images are representative only. Optional upgrades may be shown. Elevations are artist renderings and changes may occur after the rendering has been produced. See Sales Consultant for current plan and elevations. Square footage is approximate and may vary per elevation. The designs, as originally designed and prior to any changes you make, are estimated to yield approximately the number of square feet shown. All dimensions are approximate. Square footage may vary based on as-built dimensions, configurations, plan options and/or method of calculation. Neighborhoods' specific requirements may cause variations on these designs and would overwrite the above images.
