

## Improvements made to 6434 Fisher Reef Drive by current owners.

- 1) Installed gutters and downspouts on all sides of the home.
- 2) Installed garage door openers including key pad to both garages
- 3) Installed plantation shutters in Great room, Dining room and Breakfast nook.
- 4) Installed blinds on all other windows of the house including the garage.
- 5) Installed concrete bump out on the driveway to allow for 3 extra parking spaces.
- 6) Replaced all of the can lights in Great room, Kitchen and bathrooms with LED lights.
- 7) Cleared side fence of approximately 6 foot of brush.
- 8) Installed many plants and rock in the flower beds.
