

## AMAZING 5 BEDROOM, 3.5 BATHROOM HOME!

4305 Windswept Drive, Montgomery, TX 77356

This amazing five bedroom, three and one-half bathroom home, includes a home office and a game room. With the fifth bedroom this home has great flex-room options (a second office, a craft room, an exercise room, an extra sitting room or a guest room). The home has an official media room with windows, offering more options – add dark drapes or use as a light-filled flex room. Your private downstairs home office has double French doors. The master suite is spacious and has an en-suite with a luxury spa tub and separate shower, with a high sink, a lower level sink and a vanity with seating space.
