Approval shall be granted or withheld based on matters of compliance with the provisions of this Declaration and any Supplementary Declaration, quality and color of materials, drainage, harmony of external design and color with existing and proposed structures and location with respect to topography and finished grade elevation, so as to (i) promote those qualities to enhance the value of the Lots, (ii) foster the attractiveness and functional utility of Pecan Lake Estates Development as a place to live, and (iii) foster a harmonious relationship among structures, vegetation and topography and the overall design of the Property.

The address of the Architectural Control Committee shall be the address of the principal office of the Association.

**6.3 Criteria for Approval.** In making its decision as to any Improvements or alterations, the Architectural Control Committee shall consider the following design standards: (i) validity of the design concept; (ii) effect on landscape and environment; (iii) relationship of structures and open spaces; (iv) protection of neighbors with respect to access, drainage, sound and sight buffers, preservation of views and landscaping during and after completion of construction of the Improvements; (v) design compatibility with respect to scale, materials, color and construction details; (vi) quality of workmanship; and (vii) construction timetable. All approvals of the Architectural Control Committee shall be in writing.

**6.4 Committee Structure and Authority.** The authority to grant or withhold architectural control approval is vested in the Architectural Control Committee, which will be selected by the Declarant until the Control Transfer Date. The Architectural Control Committee shall be composed of not less than three (3) nor more than five (5) members. Prior to the Control Transfer Date, it is not necessary for the Architectural Control Committee to be composed of any Owners of Lots other than the Declarant. The authority of the Declarant to select the Architectural Control Committee shall cease and terminate upon the occurrence of the Control Transfer Date, in which event such authority shall be vested in and exercised by the Architectural Control Committee elected by the Members. Additionally, until the election of the Architectural Control Committee by the Members, the Architectural Control Committee selected by the Declarant shall continue to exercise architectural control authority.

**6.5 Transfer of Architectural Control.** Upon the occurrence of the Control Transfer Date, the Declarant shall cause a statement of such transfer and date to be placed of record in the Office of the County Clerk of Grimes County, Texas. The Declarant shall be obligated to arrange for the holding of such election by the Members within sixty (60) days following the filing of the aforesaid statement and to give notice of the time and place of such election (which shall be in Grimes County, Texas) not less than thirty (30) days prior to the holding thereof. Thereupon, the Owners by vote, as hereinafter provided, shall elect the Architectural Control Committee. From and after the Control Transfer Date, at least a majority of the members of the Architectural Control Committee elected by the Members must be an Owner of a Lot. Each Owner shall be entitled to one vote for each whole Lot owned. In the case of any building site composed of more than one Lot, such building site Owner shall be entitled to one vote for each whole Lot contained within such building site. The Declarant also shall be entitled to vote for the election of Architectural Control Committee members in accordance with its voting rights specified in this Declaration. Additionally, the Declarant shall have the right to discontinue the exercise of architectural control privileges and arrange for the election by the Members at any time prior to the Control Transfer Date by filing a statement and date to such effect in the Office of the County Clerk of Grimes County, Texas.

**6.6 Election, Term, Removal, and Replacement.** For the initial election, votes of the Members, including the Declarant, shall be evidenced by written ballot furnished by the Declarant (and by the Board for election subsequent to the Initial election). The Declarant and/or the Board may elect to conduct such election by mail. The Board shall maintain said ballots as a permanent record of such election for a period of not less than three (3) years after such election. Any Member may appoint a proxy to cast his ballot in such election, provided that his written appointment of such proxy is attached to the ballot as a part thereof. The Architectural Control Committee members initially so-elected by the Members shall serve a two (2) year term. Thereafter, the Board shall determine the length of the term of said Architectural Control Committee members, which in no event shall be less than one year or more than two years. The results of each such election shall promptly be determined on the basis of a plurality vote of those Members voting in such election. The results of any such election and of any removal or replacement of any member of the Architectural Control Committee may be evidenced by the recording of an appropriate

instrument properly signed and acknowledged on behalf of the Declarant or by a majority at the Board. After the first such election shall have been held, the Board thereafter shall be obligated to arrange for elections (in the manner and after notice as set forth above), including elections requested in writing by ten (10) or more Members to remove a member of the Architectural Control Committee. No member of the Architectural Control Committee may be removed except upon a majority vote (voting in favor of removing said Architectural Control Committee member) of those voting in an election called for said purpose. Upon the death, resignation, refusal, or inability of any member of the Architectural Control Committee to serve, the Board, by majority vote, shall fill the vacancy by appointment and the person appointed shall complete the unexpired term of his predecessor. If the Board should fail or refuse to take any action herein provided to be taken by the Board with respect to setting elections, conducting elections, counting votes, determining results and evidencing such results, or naming successor Architectural Control Committee members, and such failure or refusal continues for a period which is unreasonably long (in the exclusive judgment of the Declarant), then the Declarant may validly perform such function.

6.7 **Compensation and Expenses.** The members of the Architectural Control Committee shall be entitled to such compensation for services rendered and for reasonable expenses incurred as may, from time to time, be authorized or approved by the Association, and shall be entitled to retain architects, engineers and contractors on a fee basis to assist the Architectural Control Committee in reviewing plans and specifications and inspecting Lots and Improvements. All such sums payable as compensation and/or reimbursement shall be payable only out of the Maintenance Fund.

In the event that the Architectural Control Committee fails to approve or disapprove in writing any plans and specifications and plats received by it in compliance with the preceding provisions within thirty (30) days following such submission, such plans and specifications and plot plan shall be deemed approved and the construction of any such building and other Improvements may be commenced and proceeded with in compliance with all such plans and specifications and plot plan and all of the other terms and provisions hereof; provided, however, that no such deemed approval shall operate to permit any Owner to construct or maintain any improvement that violates any provision of this Declaration or any Supplementary Declaration, the Architectural Control Committee at all times retaining their right to object to any improvement that violates this Declaration or any Supplementary Declaration.

6.9 **Effect of Approval.** The granting of the aforesaid approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the Architectural Control Committee that the terms and provisions hereto shall be complied with if the building and/or other Improvements are erected in accordance with said plans and specifications and plot plan; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or Improvements are not constructed in accordance with such plans and specifications and plot plan or in the event that such building and/or Improvements are constructed in accordance with such plans and specifications and plot plan, but, nevertheless, fail to comply with the provisions hereof or with the intended structural or design purpose. Upon approval of the Owner's plans and specifications, no further architectural approval shall be required with respect thereto, unless such construction has not substantially commenced within ninety (90) days of the approval, such plans and specifications are materially altered or changed during the construction of the Improvements, or the Improvements are not constructed in accordance with the approved plans and specifications. During the construction process, the Owner shall not permit delays, other than Excused Delays, of more than forty-five (45) consecutive days.

6.10 **Minimum Construction Standards and Inspections.** The Architectural Control Committee may from time to time promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline only and such Architectural Control

6.11 **Variances.** The Architectural Control Committee may authorize variances from compliance with any provisions of the Declaration (except for the provisions relating to single-family residential dwelling use) or minimum, acceptable construction standards or regulations and requirements as promulgated from time to time by the Architectural Control Committee, when circumstances such as topography, natural obstructions, hardship, disability, aesthetic or environmental considerations may require a variance. Such a variance must be evidenced in writing and shall become effective when signed by the Declarant or by a majority of the members of the Architectural Control Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of the Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned and the Plat.

6.12 **No Implied Waiver or Estoppel.** No action or failure to act by the Architectural Control Committee or by the Board shall constitute a waiver or estoppel with respect to future action by the Architectural Control Committee or Board with respect to the construction of any Improvements. Specifically, the approval by the Architectural Control Committee or Board of any such construction shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar construction or any similar proposals, plans, specifications or other materials submitted with respect to any other construction by such Person or other Owners.

6.13 **Disclaimer.** No approval of plans and specifications and no publication or designation of architectural standards shall ever be construed as representing or implying that such plans, specifications or standards will result in a properly designed structure or satisfy any structural, functional, or legal requirements. No person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Further, neither Declarant, the Association nor the Architectural Control Committee shall be responsible or liable for any defects in any plans and specifications submitted, revised, or approved pursuant to the terms of this Declaration, any loss or damage to any person arising out of the approval or disapproval at any plans or specifications, any loss or damage arising from the noncompliance of such plans and specifications with any Governmental ordinances and regulations, nor any defects in construction undertaken pursuant to such approved plans and specifications.

6.14 **Inspection of Work.** Notwithstanding anything contained herein to the contrary, the Architectural Control Committee or its duly authorized representative shall have the right to Inspect any Improvement before or after completion, provided that the right of Inspection shall terminate sixty (60) days after the Architectural Control Committee shall have received a Notice of Completion from the Owner.

Any service to a Member or group of Members shall be provided pursuant to an agreement in writing, which shall provide for payment to the Association by such Member or group of Members of the reasonably estimated costs and expensed of the Association of providing such services, including its proportionate share of the overhead expenses of the Association and shall contain reasonable provisions assuring that the obligation to pay for such services shall be binding upon any heirs, personal representatives, successors or assigns of the Member or group of Members and that the payment for such services shall be secured by a lien on the property of the Member or group of Members as provided for in this Declaration.

8.13 **Power to Grant Easement**. In addition to any blanket easements described in this Declaration, the Association or the Declarant shall have the power to grant access, utility, drainage, water facility and other such easements in, on, over, or under the Common Area. Additionally, the Association, from and after the Control Transfer Date, shall have the power to grant access, utility, drainage, water facility and other similar easements in, on, over and under the portion of such Lots within the restricted building setback area provided that such easements do not unreasonably interfere with the Owners' use and enjoyment of such Lots.

8.14 **Power to Convey and Dedicate Property to Government Agencies**. The Association or the Declarant shall have the power to grant, convey, dedicate or transfer any Common Area or facilities to any public or governmental agency or authority for such purposes and subject to such terms and conditions as the Association or the Declarant shall deem appropriate, which power may be exercised (i) prior to the Control Transfer Date by the Board and (ii) from and after the Control Transfer Date by the Association, with the approval of not less than two-thirds of the Members agreeing in writing or by voting at any scheduled meeting of the Members and with the prior written approval of the Declarant. The Association or the Declarant may, subject to the limitations of the preceding sentence, convey property to a public or governmental agency or authority in lieu of such property being condemned by such public or governmental agency or authority.

8.15 **Power to Employ Manager**. The Association shall have the power to retain and pay for the services of a manager, managers, or management company to undertake the management of any of the functions for which the Association has responsibility under the Declaration to the extent deemed advisable by the Association, and may delegate any of its duties, powers or functions to any such manager. Notwithstanding any delegation to a manager of any duties, powers or functions of the Association, the Association and its Board shall remain ultimately responsible for the performance and exercise of such duties, powers, and functions.

8.16 **Power to Engage Employees, Agents and Consultants**. The Association shall have the power to hire and discharge employees and agents and to retain and pay for legal, accounting, and other professional services as may be necessary or desirable in connection with the performance of any duties or the exercise of any powers of the Association under this Declaration.

**8.17 General Corporate Powers.** The Association shall have all of the ordinary powers and rights of a Texas nonprofit corporation formed under the Laws of the State of Texas, including, without limitation, entering into partnership and other agreements subject only to such limitations upon such powers as may be set forth in this Declaration, the Articles of Incorporation, or By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required or permitted to be done under this Declaration, the Articles of Incorporation, and By-Laws and to do and perform any and all acts which may be necessary or desirable for, or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration, the Articles of Incorporation, and By-Laws.

## **9. ASSOCIATION DUES AND ASSESSMENTS**

**9.1 Imposition and Collection.** There may be imposed, assessed or charged against each Lot, by the Board and in favor of the Association, maintenance charges (hereinafter sometimes collectively referred to as "Maintenance Assessment") and special assessments ("Special Assessments") for capital Improvements. Such Maintenance Assessment and Special Assessments shall be imposed, payable and collected as herein provided. The Maintenance Assessment, Special Assessments and any other charges or assessments imposed hereunder shall create a fund to be known as the "Maintenance Fund". Each Owner of a Lot, by acceptance of title thereto whether or not it shall be so expressed in such deed or other conveyance, is deemed to covenant and agree to pay to the Association all Maintenance Assessments and any other assessments or charges hereby levied against such Owner. The Maintenance Assessments and any other assessments or charges hereby levied, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge on the Lots and shall be a continuing lien upon the property upon which each such Maintenance Assessment or other assessment or charge is made. Maintenance Assessments and Special Assessments shall be fixed at a uniform rate for all Lots. Non-use of Common Area by the Owner or occupant of a Lot, or abandonment of a Lot shall not relieve such Lot from liability for the Maintenance Assessment, Special Assessment or any other assessment imposed.

**9.2 Purpose and Use of Maintenance Assessments.** Maintenance Assessments and Special Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, environment, security, and welfare of the Owners and occupants of Pecan Lake Estates, and for the Improvements, maintenance, compliance, and operation of the Common Area. Maintenance Assessments levied by the Association for each fiscal year shall be adequate to finance the operations and activities of the Association, to satisfactorily maintain the Common Area, to establish and maintain adequate repair and replacement services, and to build and maintain an adequate reserve of funds to be used to help resolve critical circumstance. The use of the Maintenance Fund for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

**9.3 Basis and Maximum of Maintenance Assessments.** Until 31 December 2017, the annual Maintenance Assessment shall be **\$200.00 per Lot**. The annual Maintenance Assessment may be increased by the Board effective January 1<sup>st</sup> of each successive year without a vote of the membership by no more than ten percent (10%) over the previous year. The annual Maintenance Assessment may be increased on the next January 1<sup>st</sup> by more than ten percent by a vote of the Members, provided that any such change shall have the assent of two-thirds of the votes of Members who are voting in person or by proxy, at a meeting duly called for this purpose. Such Members may vote to so-change the annual percentage increase of the Maintenance Assessment for up to a two year period. The limitations hereof shall not apply to any change in the Maintenance Assessment undertaken as an incident to a merger or consolidation, in which the Association is authorized to participate under its Articles of Incorporation. After good-faith consideration of current maintenance costs and future needs of the Association, the Board each year may fix the annual Maintenance Assessment at an amount not in excess of the maximum hereinabove provided for. Subject to the provisions stated herein, if the Board levies a Maintenance Assessment in an amount less than the maximum amount for any calendar year, the Board by majority vote may thereafter levy one or more supplemental Maintenance Assessments during such calendar year if it determines that the "Functions" (as hereinafter defined) cannot be funded by such lesser Maintenance

Assessment. In no event shall the sum of the initial and supplemental Maintenance Assessments for any calendar year exceed the maximum Maintenance Assessment permitted for that calendar year. Whether or not the Maintenance Assessment has been increased to the maximum permitted amount for a given year, the maximum Maintenance Assessment for the following year shall be made solely on the amount of that given year's actual Maintenance Assessment.

**9.4 Commencement of Maintenance Assessments.** The Maintenance Assessments levied herein shall become effective to Owners beginning **01 January 2017**. The Board shall fix the amount of the Maintenance Assessment and any Special Assessment against each Lot at least thirty (30) days in advance of each assessment period. Notice of an assessment shall be provided to the Owners subject thereto at least thirty (30) days before the date on which payment of the Maintenance Assessments shall be established by the Board. However, failure by the Board to fix the Maintenance Assessment or Special Assessment for any year shall not be deemed a waiver with respect to any of the provisions of this Declaration or a release of the liability of any Member to pay such Maintenance Assessment or Special Assessment or any installment thereof, for that or any subsequent year. In the event of such failure by the Board, each Owner shall continue to pay the Maintenance Assessment established for the previous year until the new Maintenance Assessment is established. The new Maintenance Assessment established by the Board shall be applied retroactively to the commencement of the then current assessment year, and the deficit, if any, shall be paid within thirty (30) days after receipt of a statement therefore.

**9.5 Special Assessments for Capital Improvements.** In addition to the Maintenance Assessment specified above, there may be levied, assessed or charged against each Lot, by the Board and in favor of the Association, in any assessment year, a Special Assessment applicable to that year only (and for the following year only if approved by the Members as hereinafter provided) only for the purpose of defraying in whole or in part, the cost of any repair or replacement of capital Improvements comprising part of a Common Area, including, without limitations, fixtures and movable property related thereto, or any other major unanticipated cost incurred by the Association, provided that any such assessment shall have the assent of two-thirds of the votes of Members voting In person or by proxy at a meeting duly called for that purpose, after notice, and with a quorum, all as provided herein. From and after 01 January 2032, a special assessment also may be imposed by the Board, in favor of the Association, in any assessment year for the cost of any construction or reconstruction of capital Improvements composing part of the Common Area, including, without limitation, fixtures and movable property related thereto. Written notice, sent by regular U.S. mail, postage prepaid, of any Members meeting called for the purpose at taking any action authorized herein for Special Assessments shall be provided to the Members no less than fifteen (15) days or more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence in person or by proxy of Members entitled to cast fifty percent (50%) of all the votes at membership shall constitute a quorum, if the required quorum is not present, one or more subsequent meetings may be called subject to the same notice requirement, and the required quorum at any subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**9.6 Non-payment, Late Fee and Collections.** Any Maintenance Assessment, Special Assessment or other charges and assessments not paid within thirty (30) days after the due date shall be subject to a late fee of ten percent (10%). The Association may also bring restrictive action, or an action at law against the Owner personally obligated, to pay the same or foreclose the above described lien against the Owner's Lot, as provided below. In order to secure the payment of the Maintenance Assessment, Special Assessments, and other charges and assessments hereby levied, a vendor's lien for the benefit of the Association, shall be and is hereby reserved in the deed from the Declarant to the purchaser of each Lot, which lien shall be enforceable through appropriate judicial and/or non-judicial proceedings by the Association. As additional security for the payment of the Maintenance Assessment, Special Assessments, and other charges and assessments hereby levied, each Owner of a Lot in Pecan Lake Estates, by such party's acceptance of a deed thereto, hereby grants the Association a contractual lien on such Lot, which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute), and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of

The Texas Property Code and said power of sale designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice President of the Association and filed for record in the Real Property Records of Grimes County, Texas. In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale not less than twenty-one (21) days prior to the date on which said sale is scheduled by posting such notice through the U. S. Postal Service, postage prepaid, certified, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall send any curative period notice to the Owner and also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Grimes County, Texas, out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and, third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any Improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder. In the event of nonpayment by any Owner of any Maintenance Assessment, Special Assessment, or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon thirty (30) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity. It is the intent of the provisions of this Section 6.1 to comply with the provisions of Said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice President of the Association, acting without joinder or any other Owner of mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Grimes County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code. In addition to the right of the Association to enforce the Maintenance Assessment, Special Assessment or other charge or assessment levied hereunder, the Association may file a claim or lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (i) the amount of the claim of delinquency, (ii) the costs of collection which have accrued thereon, (iii) the legal description and street address of the Lot against which the Lien is claimed, and (iv) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board to cover the preparation and recordation at such release of lien instrument.

**9.7 Certificate of Account or Compliance.** Any Vice President, the Treasurer or the manager of the Association shall within ten (10) days at a written request and upon payment to the Association of such fee as is from time to time determined by the Board, furnish to any Owner or such Owner's mortgagee which request the same, a certificate in writing signed by such officer or manager setting forth whether the Maintenance Assessment or Special Assessment for which such Owner is responsible has been paid, and, if not paid, the outstanding amount due and owing, together with all fines, accrued interest and other penalty charges. Such certificate shall be conclusive evidence against all but such Owner of payment of any Maintenance Assessment or Special Assessment stated therein to have been paid.

**9.8 Declarant Contributions are Voluntary.** Notwithstanding anything contained herein to the contrary, the Declarant shall not be required to pay the assessment on any Lots owned by the Declarant; but in the event that a deficit may exist between the Maintenance Assessments and Special Assessments and the

annual budget of the Association, the Declarant may elect, but shall not be obligated, to fund such deficit with a non-refundable contribution to the Association.

9.9 **Subordination of the Lien.** The liens granted herein and the superior title herein reserved to secure any Maintenance Assessment, Special Assessment, Reimbursement Assessment or any other charge or assessment provided for herein shall be deemed subordinated to any vendor's lien or the lien of any purchase money, construction mortgage and/or second mortgage on the assessed Lot, and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Lot, who obtains title to such Lot pursuant to the remedies provided in the Deed of Trust or Mortgage, by judicial foreclosure or by deed In lieu of foreclosure, shall take title to such property free and clear of any claims for unpaid Maintenance Assessments, Special Assessments, Reimbursement Assessment or any other charge or assessment provided for herein which accrued prior to the time such holder acquires title to such property. No such sale or transfer shall release such holder acquiring title to such property from liability for any Maintenance Assessment, Special Assessment, Reimbursement Assessment, or any other charge or assessment provided for herein thereafter becoming due or from the liens hereof. Any other sale or transfer of a Lot shall not affect the Association's liens created herein for assessments and charges.

9.10 **Exempt Property.** The following property subject to this Declaration shall be exempt from the Maintenance Assessments and all other charges and assessments created herein: (i) all properties dedicated to and accepted by a local public authority, and (ii) all Common Area.

9.11 **Notification of Sale of Lot.** When a contract for the sale by an Owner other than a Declarant of a Lot has been executed, the selling Owner of the Lot shall give the Association reasonable written notification of the date, time and place of the closing of the sale. Thereupon the Association may prepare a certificate of compliance and deliver it within a reasonable time to the place of closing. Outstanding assessments and charges, if any, and reasonable costs for correcting any other non-compliance, if any, shall be deducted from the selling Owner's account at the closing and transmitted directly to the Association.

## 10. GENERAL PROVISIONS

10.1 **Association Information.** The books and records of the Association shall be open to examination by any Member during reasonable business hours.

10.2 **Severability.** Invalidation of any one of the provisions of this Declaration shall not affect any other provision hereof, which shall remain in full force and effect.

10.3 **Term.** The provisions of this Declaration shall constitute covenants running with the land and shall be binding upon all future Owners, transferees and lessees thereof, and their successors and assigns, for a term of forty (40) years from the date of this Declaration, after which time they shall be automatically extended for up to three successive periods of ten (10) years each unless terminated as provided herein.

10.4 **Amendment by Members.** This Declaration may be amended or changed, in whole or in part, at any time within forty (40) years of the date of this Declaration by the written agreement or signed ballot of those Members holding not less than two-thirds of the total votes of Members; and, thereafter, by a written agreement or signed ballot signed by those Members holding not less than fifty percent (50%) of the total votes of Members. If the Declaration is amended by a written instrument signed by the requisite number of Members, such amendment must be approved by said Members within three hundred sixty-five (365) days of the date the first Member executes such amendment. The date a Member's signature is acknowledged shall constitute *prima facie* evidence of the date of execution of said amendment by such Member. Those Members, including the Declarant, entitled to cast not less than the required number of all votes of the Members of the Association may also vote to amend this Declaration, in person or by proxy, at a meeting of the Members, including the Declarant, duly called for such purpose, written notice

of which shall be given to all Owners at least ten (10) days and not more than sixty (60) days in advance and shall set forth the purpose of such meeting. Notwithstanding any provision contained in the By-Laws to the contrary, a quorum, for purposes of such meeting, shall consist of not less than seventy percent (70%) of all of the Members (in person or by proxy) entitled to vote. Any such amendment shall become effective when an instrument is filed for record in the Office of the County Clerk of Grimes County, Texas, accompanied by a certificate, signed by a majority of the Board, stating that the required number of Members, including the Declarant, executed the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose. Copies of the written ballots pertaining to such amendment shall be retained by the Association for a period of not less than three (3) years after the date of filing of the amendment.

**10.5 Amendment by the Declarant.** The Declarant shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or his mortgagee. Additionally, Declarant shall have, and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of permitting the Owners to enjoy the benefits from technological advances with respect to security, safety, privacy, Internet and networking, communications, recreation, wellness, conservation, or energy, which did not exist or were not in common use in residential subdivisions at the time this Declaration was adopted. Likewise, the Declarant shall have, and reserves the right at any time and from time to time prior to the control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of prohibiting the use of any systems, devices, controls, monitors, applications, signals, or equipment developed and/or available for residential or commercial use subsequent to the date of this Declaration if the use of such will adversely affect the Association, safety, security, privacy, harmony, property values, or the residential culture within Pecan Lake Estates.

**10.6 Mergers and Consolidations.** The Association may participate in mergers and consolidations with other non-profit corporations organized for the same purposes, provided that (i) prior to the Control Transfer Date any such merger or consolidation shall be approved (in writing or at a meeting duly called for such purpose) by two-thirds (2/3) of the Board and (ii) from and after the Control Transfer Date any such merger or consolidation shall have the consent (in writing or at a meeting duly called for such purpose) of Declarant and of Members entitled to cast not less than two-thirds of the votes of the Members. Upon a merger or consolidation of the Association with another association as provided in its Articles of Incorporation, the properties, rights, and obligations may, by operation of law, be transferred to another surviving or consolidated association, or alternatively, the properties, rights and obligations of the other association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to the merger. The surviving or consolidated association will be subject to the covenants and restrictions established by this Declaration within Pecan Lake Estates, together with the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall affect any revocation, change or addition to the covenants and restrictions established by this Declaration, except as changed by amendment of this Declaration or by the plan of merger or consolidation. In the event of any inconsistency between the terms and provisions of this Declaration and the terms and provisions of any of the merger or consolidation documents, the terms and provisions of the merger or consolidation documents shall control.

10.7 **Special Approvals by First Mortgagees.** Unless at least fifty-one percent (51%) of the mortgagees holding first lien mortgages (based upon one vote for each mortgage owned) of the lots in Pecan Lakes Estates have given their written approval, neither the Association nor any Member shall (i) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area or the Improvements thereon which are owned, directly or indirectly, by the Association (except that the granting of access easements, utilities easements, drainage easements and water facilities easements or easements for other public purposes consistent with the intended use of such property by the Association shall not be deemed to be within the meaning of this provision); (ii) change the method of determining the obligations, assessments or other charges which may be levied against Members or the method of allocating distributions of hazard insurance policy proceeds or condemnation awards; (iii) by act or omission change, waive or abandon any scheme or regulation, or enforcement thereof pertaining to architectural approval of Improvements to property; (iv) use hazard insurance proceeds from losses to any Common Area for other than the repair, replacement or reconstruction of the Improvements which were damaged or destroyed; and (v) amend any material provision of this Declaration, including, without limitation, any provisions which are for the express benefit of a mortgagee or eligible insurers or guarantors of eligible first mortgages on lots.

10.8 **Declarant's Rights and Prerogatives.** Prior to the Control Transfer Date, the Declarant may file a statement in the Office of the County Clerk of Grimes County, Texas, which expressly provides for the Developer's (i) discontinuance of the exercise of any right or prerogative provided for in this Declaration to be exercised by the Declarant or (ii) assignment to any third party owning property in Pecan Lakes Estates, of one or more of Developer's specific rights and prerogatives provided in this Declaration to be exercised by Declarant. The assignee designated by Declarant to exercise one or more of Declarant's rights or prerogatives hereunder shall be entitled to exercise such right or prerogative until the earlier to occur of the (i) Control Transfer Date or (ii) date that said assignee files a statement in the Office of the County Clerk of Grimes County, Texas, which expressly provides for said Assignee's discontinuance of the exercise of said right or prerogative. From and after the date that the Declarant discontinues its exercise of any right or prerogative hereunder and/or assigns its right to exercise one or more of its rights or prerogatives to an assignee, the Declarant shall not incur any liability to any Owner, the Association or any other party by reason of the Developer's discontinuance or assignment of the exercise of said right(s) or prerogative(s).

10.9 **Gender.** Wherever in this Declaration the context so requires, the singular number shall include the plural, and the converse; and the use of any gender shall be deemed to include all genders.

10.10 **Headings.** The headings and any table of contents contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation hereof.

**This Declaration of Rights, Easements, Restrictions, Reservations, and Covenants for Pecan Lakes Estates Phase 1 is made in place of and as a Declaration of Correction of a Declaration of Rights, Easements, Restrictions, Reservations, and Covenants for Pecan Lakes Estates Phase 1 executed by Declarant herein to The Public herein, dated October 19, 2016, recorded in Volume 1620, Page 284, Real Property Records of Grimes County, Texas, wherein by error or mistake the county in which the Subdivision is located was stated to be Brazos County when in truth and in fact the County in which the Subdivision is located is GRIMES County, Texas.
