Information Gathered from the Seller

- Close to award winning schools
- Close to 99 and Westpark Tollway
- Great floor-plan for kids and couples without kids

The sellers have loved living in this home. Some of their favorite things about this property were the outdoor amenities and spending time outside in the covered patio area as well as the spacious media. They also loved the layout and that it provided them with many areas to entertain friends and family. Other things they liked in particular were the many windows that provided a lot of natural light in the property.
