2) The district has the authority to adopt and impose a standby fee on property in the district that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$ 0. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. ## Information About Brokerage Services

*Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.*

**TYPES OF REAL ESTATE LICENSE HOLDERS:**

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

**A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):**

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

**A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:**

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - o that the owner will accept a price less than the written asking price;
  - o that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - o any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

**TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:**

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.

# For Your Protection: Get a Home Inspection

## Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- Evaluate the physical condition: structure, construction, and mechanical systems; Identify items that need to be repaired or replaced; and
- Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

## You Must Ask for a Home Inspection

A home inspection will only occur if you arrange for one. FHA does not perform a home inspection. Decide early. You may be able to make your contract contingent on the results of the inspection.

## Appraisals are Different from Home Inspections

An appraisal is different from a home inspection and does not replace a home inspection. Appraisals estimate the value of the property for lenders. An appraisal is required to ensure the property is marketable. Home inspections evaluate the condition of the home for buyers.

## FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA cannot give or lend you money for repairs, and FHA cannot buy the home back from you. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

## Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236.

Ask your home inspector about additional health and safety tests that may be relevant for your home.

## Be an Informed Buyer

It is your responsibility to be an informed buyer. You have the right to carefully examine your potential new home with a qualified home inspector. To find a qualified home inspector ask for references from friends, realtors, local licensing authorities and organizations that qualify and test home inspectors.
