

THINGS I LOVE ABOUT ABOUT MY HOME

ADDRESS: 2520 Elm Crossing trl. Spring TX 77386

Kitchen is open to the livingroom which has been great for entertaining. The kitchen is always where people gather and we love to gather around our beautiful kitchen.

Our back gate opens to a more private sidewalk which allows us a safe route to the park.

The bedrooms are spacious enough for all our kids to have room to grow and play. Even with two kids sharing a room, there is no space issue.

The theater room has been perfect for our weekly family movie and ice cream nights.
