ARTICLE SEVEN

General Provisions

Enforcement

7.01. The Developer or the Association, when empowered, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, and reservations imposed by this Declaration. Failure to enforce any covenant or restriction shall not be deemed a waiver of the right of enforcement either with respect to the violation in question or any other violation. All waivers must be in writing and signed by the party to be bound.

Until the Developer files his declaration of empowerment relinquishing his reserved power hereunder, the authority of the Owners Association and the function of the Architectural Control Committee are reserved in the entirety by Developer irrespective of any provision herein to the contrary.

Plat

7.02. Developer makes a part of this Declaration of Covenants, Conditions and Restrictions for "The View" Subdivision, all matters set forth on the plat of the subdivision titled "The View" prepared by Befco Engineering, Inc. under their Job Number 10-5175, as filed for record in the Map or Plat Records of Fayette County, Texas.

Severability

7.03. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, and all other provisions shall remain in full force and effect.

Covenants Running With the Land

7.04. These easements, restrictions, covenants, and conditions are for the purpose of protecting the value and desirability of the Property. Consequently, they shall run with the real property and shall

be binding on all parties having any right, title, or interest in the Property in whole or in part, and their heirs, successors, and assigns. These easements, covenants, conditions, and restrictions shall be for the benefit of the Property, each Lot, and each Lot Owner.

Duration and Amendment

7.05. The covenants, conditions, and restrictions of this Declaration shall be effective for a term of 20 years from the date this Declaration is recorded, after which period the covenants, conditions, and restrictions shall be automatically extended for successive periods of 10 years subject to termination by an instrument signed by more than 50 percent of the Owners. The covenants, conditions, and restrictions of this Declaration may be amended by an instrument signed by more than 75 percent of the Owners. Neither any amendment nor any termination shall be effective until recorded in the Official Records of Fayette County, Texas, and all requisite governmental approvals, if any, have been obtained.

Attorneys' Fees

7.06. If any controversy, claim, or dispute arises relating to this instrument, its breach, or enforcement, the prevailing party shall be entitled to recover from the losing party reasonable expenses, attorneys' fees, and costs.

Liberal Interpretation

7.07. The Developer by this Declaration intends to create an exclusive subdivision to insure development from inception and planning through sales and construction. Developer deems it necessary and in the protection of property interests to retain those powers to be exercised by the Association and the Architectural Control Committee until Developer relinquishes such power by formal written declaration. That relinquishment shall be given at such time as Developer deems the number of Lots sold and homes constructed establish the contemplated character of the subdivision. Until such time and thereafter this Declaration shall be liberally construed to effectuate its purpose and plan for the Property and to comply with applicable statutes, ordinances or regulations.
