THE PROPERTY

ABSOLUTELY BEAUTIFUL is the best way to describe this fabulously renovated, move-in ready home with an ENORMOUS back yard located on a quiet cul-de-sac. Luscious landscaping welcomes you & your guests inside where you'll immediately notice the warmth of the new flooring & the fabulous flow from room to room. The large living room opens to the very roomy renovated kitchen with all new Stainless Steel appliances & gorgeous Quartz Counters. Countless cabinets & counter tops, along with the gas range & large island are a cook's dream! Outside is a yard that goes on forever & is large enough for an olympic-sized pool! Upstairs opens to a game room that splits the master from the additional bedrooms. All are very spacious, & the master en-suite features a tub & frameless glass shower. The COLOSSAL Closet is almost the size of a small bedroom!
