Bastrop County Building Permit # _____ Septic Permit # _____

Subdivision Restrictions Enforced !!

Note: If any building is built or (mobile home not over 5 yrs. old moved in plans must be submitted to LTOA and approved. All permits from Bastrop County and State of Texas must be posted on the property before any building is built or mobile home moved in. All driveways must have culverts and if septic system is installed permit must be purchased from Bastrop County and location plans for septic system submitted to LTOA. All plans must be approved by LTOA before construction. Water service and approved septic system must be installed prior to occupancy. Find out where water mains are, because you cannot be within 10 ft of a structure.

LTOA fiscal year is from June 1 to May 31. Our membership cards run the same as our fiscal year. Each year we will send you an invoice for the maintenance fee owed on your property and upon payment, you will receive a LTOA membership card to use LTOA facilities (pool, lakes and community building) and to have a vote in the June meeting, you are required to have a current membership card. Maintenance fees starting in June 2018 will be \$125.00. We at LTOA welcome you to our community and hope you have a pleasant stay.

If you have any questions you may contact the association board.
