

# PERRY HOMES™

*This Executive Class home contains over 3,900 square feet and includes five bedrooms and three and a half baths.*

**PLAN 3999**

Spacious formal areas are set at the front of the design for entertaining.

An upstairs game room offers a separate children's play area.

An upstairs library with built-ins is a perfect spot for quiet reading.

Not included: inside keyed deadbolt locks, refrigerators, furnishings, drapery, plants, decorator items and all other personal property being used in model homes. Builder reserves the right to make changes in the plans and specifications, and to substitute material of similar quality. Room dimensions indicate approximate inside area measurements.
