

The Bosch Benvenuto is the beginning of an entirely new home-coffee experience, one usually reserved for Italian cafés or coffee houses. With just the push of a button, you select the coarseness of your grind and the size of your coffee, from a small espresso to an extra-large coffee. And all this performance comes in a completely integrated unit with handsome steel and black accents-certain to impress any customer who is a coffee lover.

The new WOLF 48" Gas Range, still the most-customizable range in the Wolf family, now with an updated design, new product features and enhanced performance. For the first time, Wolf gas ranges have been enriched with dual-stacked burners that offer precision control while sealed, seamless burner pans make cleaning up spills a breeze. The 48" Gas Range features two ovens, one 30" gas convection oven with infrared broiler and ultra-fast preheating, and one 18" non-convection oven.
