

2134 Longwood Dr, Deer Park
What sets this home apart
Updates – Upgrades – Features

Pride of ownership abounds. This original owner spared no expense to keep this home updated and maintained with items such as:

- Wood look porcelain tile flooring throughout
- Remodeled kitchen with:
 - Wood cabinets (not particle board you'll find in other homes)
 - Ceiling height cabinets with additional cabinetry you won't find elsewhere in neighborhood...such as a window seat!
 - Soft close drawers and cabinets
 - Convenient pullouts for pots, spices etc.
 - Lazy Susan to access all available storage space
 - Quartz counters
 - Farmhouse sink
 - Opening widened to living room to allow a functional breakfast bar
 - Free standing Gas stove with double oven
- Updated bathroom vanities and counters in Master bath and secondary bathroom. Updated mirrors too!
- Master bathroom with dual sinks (a unique feature in this subdivision)
- Separate jetted tub in master bath
- **Replaced in the past few years**
 - Complete HVAC system (Oct. 2019) with 10-year warranty
 - Water heater (June 2019)
 - Back fence
 - Main water shut off valve replaced with lever
 - Toilets in both bathrooms
- Covered back patio with ceiling fan and stained tongue & groove ceiling!!!!
- Fire pit area in back yard
- NO BACK NEIGHBORS
- Home has never flooded
- Security cameras and monitor stay
- Wall mount TV in back patio
