PIETRA CALACATTA SUBWAY TILE 2X4

[ABOUT](#) [SIMILAR STYLES](#) [SIZES](#) [GALLERY](#) [DOWNLOADS](#)

Description:
Pietra Calacatta Subway Tile appears just like precious Calacatta marble. The white subway tile is made with inkjet printed porcelain tile, making it possible to add a marble look without the worry of etching or staining. Use this durable white tile with confidence in all residential projects, as well as light commercial settings.
