Such additional stages of development may be annexed by action by the board of Directors of the Association. Upon a merger or consolidation of the Association with another Association, the Association's properties, rights and obligations may be transferred to another surviving or compolidated Association, or alternatively, the properties, rights and obligations of another Association may be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated Association shall administer the Covenants and Restrictions established by this Declaration, together with the Covenants and Restrictions applicable to the properties of the other Association as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the Covenants established by this Declaration. Provided, that no such merger or consolidation shall be permitted except upon approval of two-thirds vote of each class of members of the Association.

Section 3. Classes of Membership. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and each shall be entitled to one vote for each Lot. When more than one person holds an interest in any Lot, all such persons shall be members. The vote of such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

Class B. Class B members shall be Vector Interests, Ltd., the Declarant herein, who shall be entitled to nine (9) votes for each Lot owned. Class B membership shall cease and be converted to Class A membership on the happenings of either of the following two (2) events, whichever occurs earlier:

### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the Properties, hereby covenants, and Owner of any :

Lot by acceptance of a dead therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (A) annual assessments or charges, and
- (B) special assessments for capital improvements; such assessments to be established and collected as hereafter provided.

The regular and special assessments, together with interest, penalty, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, penalty, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety

and welfare of the Members of the Association and, in particular, for the improvement and maintenance of the Property, the Corron Area and the Corron Facilities, and for the payment to or reimbursoment of other affected parties or governmental entities for the improvement and maintenance thereof.

Section 3. Maximum Annual Assessment. Until January 1 of the year involidately following the conveyance of the first Lot to an Owner, the raximum annual assessment shall be Six Mundred and No/100 (\$600.00) Dollars per Lot; provided, however, that from and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the Soard of Directors of the Association shall be expowered to increase said rate as the needs of the Association require; except that if any such increase shall cause the annual assessment to be greater than the aforesaid \$500.00 plus the rise, if any, of the Consumer Price Index as published by the United States Department of Labor for the proceeding month of July; or more than One Mundred Ten Percent (1101) of the smount assessed in the preceeding calendar year, whichever is greater, then shall such an increase require the vote of two-thirds (2/3) of each class of Manhers of the Association who are voting in person or by proxy, at a meeting duly called for that purpose.

Section 4. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a neeting duly called for this purpose.

Section 5. Rate of Assessment. The rate of assessment for an individual Lot, within a calendar year, can change as the character of ownership and status of occupancy change. All Lots which are owned by Declarant shall not be subject to any annual assessment. Lots which are owned by builders, regardless of their state of improvement, shall be assessed at a rate equal to one-half (1/2) of the annual assessment. Lots which are improved with completed residences and occupied by the owner or owners, his tenants or contract buyers shall be assessed at the full rate of annual assessment.

Section 6. Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence as to each Lot on the first day of the routh following the conveyance of said Lot by Declarant to any other person or entity. The annual assessment shall be payable in advance and pro-rated by the number of rouths remaining

in the calendar year in which the conveyance occurs. The annual assessment period for each assessed lot shall begin on January 1 of the calendar year (ollowing the coveryance of said lot. The annual assessment for each annual assessment period shall become due and payable on Pebruary 1 of the calendar year following the conveyance of said lot. The Board of Directors shall fix the amount of the annual assessment and shall notify, in writing, each owner of that amount thirty (30) days in advance of the annual assessment period. The Association shall, for a reasonable fee, and upon demand, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 7. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten (10%) per cent per annun. The Association ray bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section B. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability of any assessments which may thereafter become due or from the lien thereof.

Section 9. Exempt Properties. All properties dedicated to and accepted by a local public authority, all Drill Site Reserves, all Drill Site Easements, and all properties owned by a charitable or non-profit organization exempt from texation by the laws of the State of Texas shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

therefore, to enter upon the Lots within the Property in or upon which said connections, lines or facilities, or any purtion thereof, lie, to repair, replace and generally maintain said connections as to when the same may be necessary as set forth below.

(B) Wherever sanitary sower and/or water house connections or electricity, gas, telephone or cable television lines or drainage facilities are installed within the Property, which connections serve more than one lot, the Owner of each Lot served by said connections shall be entitled to the full use and enjoyment of such portions of said connections which service his lot.

Section 2. Peservation of Easements. Easements over the Lots and Common Areas for the installation and maintenance of electric, telephone, cable television, water, gas and sanitary sewer lines and drainage facilities are hereby reserved by Declarant, together with the right to grant and transfer same.

Section 3. Surface Areas of Otility Easements. Easements for installation and maintenance of utilities are reserved as shown and provided for on the recorded plat, and no structure shall be erected on any of said easements. Underground electric, gas and telephone service shall be available to all Lots in the subdivision. For so long as such underground service is maintained, the electric service to each Lot shall be uniform and exclusively of the type known as single phase, 120/240 volt, 3 wire, 60 cycle, alternating current. Easements for the underground service may be crossed by driveways and walkways provided the Declarant or Builder makes prior arrangements with the utility companies furnishing electric, gas and telephone service and provides and installs any necessary conduit of approved type and size under such driveways or walkways prior to construction thereof. Such easements for the underground service shall be kept clear of all other improvements, including buildings, patios or other pavings, and neither grantor nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or servants, to shrubbery, trees, flowers or other improvements (other than crossings, driveways or walkways providing conduit has been installed or outlined above) of the Owner located on the land covered by said easements. In addition hereto, the utility easements shall not be used no alleyways or access easoments.

Section 4. Public and Private Streets. All Lots within the subdivision shall abut and have access to a public or private street. Public and private street rights-of-way are shown on the recorded plat of Barker's Landing, Section Three.

Section 6. Universal Fascment. Each Lot and its Owner within the Properties is hereby doclared to have an easement, and the same is hereby granted to Declarant, over all adjoining Lots and Common Areas for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement of shifting of the building, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred thus to willful misconduct of said Owner or Owners. In the event a structure on any Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot agree that minor encroachments over adjoining Lots shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist. In addition, each Lot within the Properties is hereby declared to have an ease ment for overhanging roofs and eaves as originally constructed over each adjoining Lot and/or Common Area and for the maintenance thereof. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Lot being serviced and shall pass with each conveyance of said Lot.

Section 7. Public Easement. There is hereby reserved to Declarant, its successors and assigns, an easement for public ingress and egress over the public bicycle and pedestrian pathways. This easement shall not imply any right of public use of the Common Area or improvements thereon, owned by the Association.

Section 8. Audio and Video. In the event that audio and video communication services and utilities are made available to any said Lots by means of an underground coaxial cable system, the company furnishing such services and facilities shall have a two foot {2'} wide easement along and centered on the underground wire or cable when and as installed by said company from the utility easement nearest to the point of connection on the permanent improvement or structure, or to be constructed upon said Lot, and in a direct line from said nearest utility easement to said point of connection.
