

This image shows a large grid of empty cells, resembling a spreadsheet or a table. The grid is composed of approximately 28 columns and 32 rows of small, empty rectangular cells. The cells are arranged in a regular pattern, with thin lines separating them. The entire grid is centered on a white background.

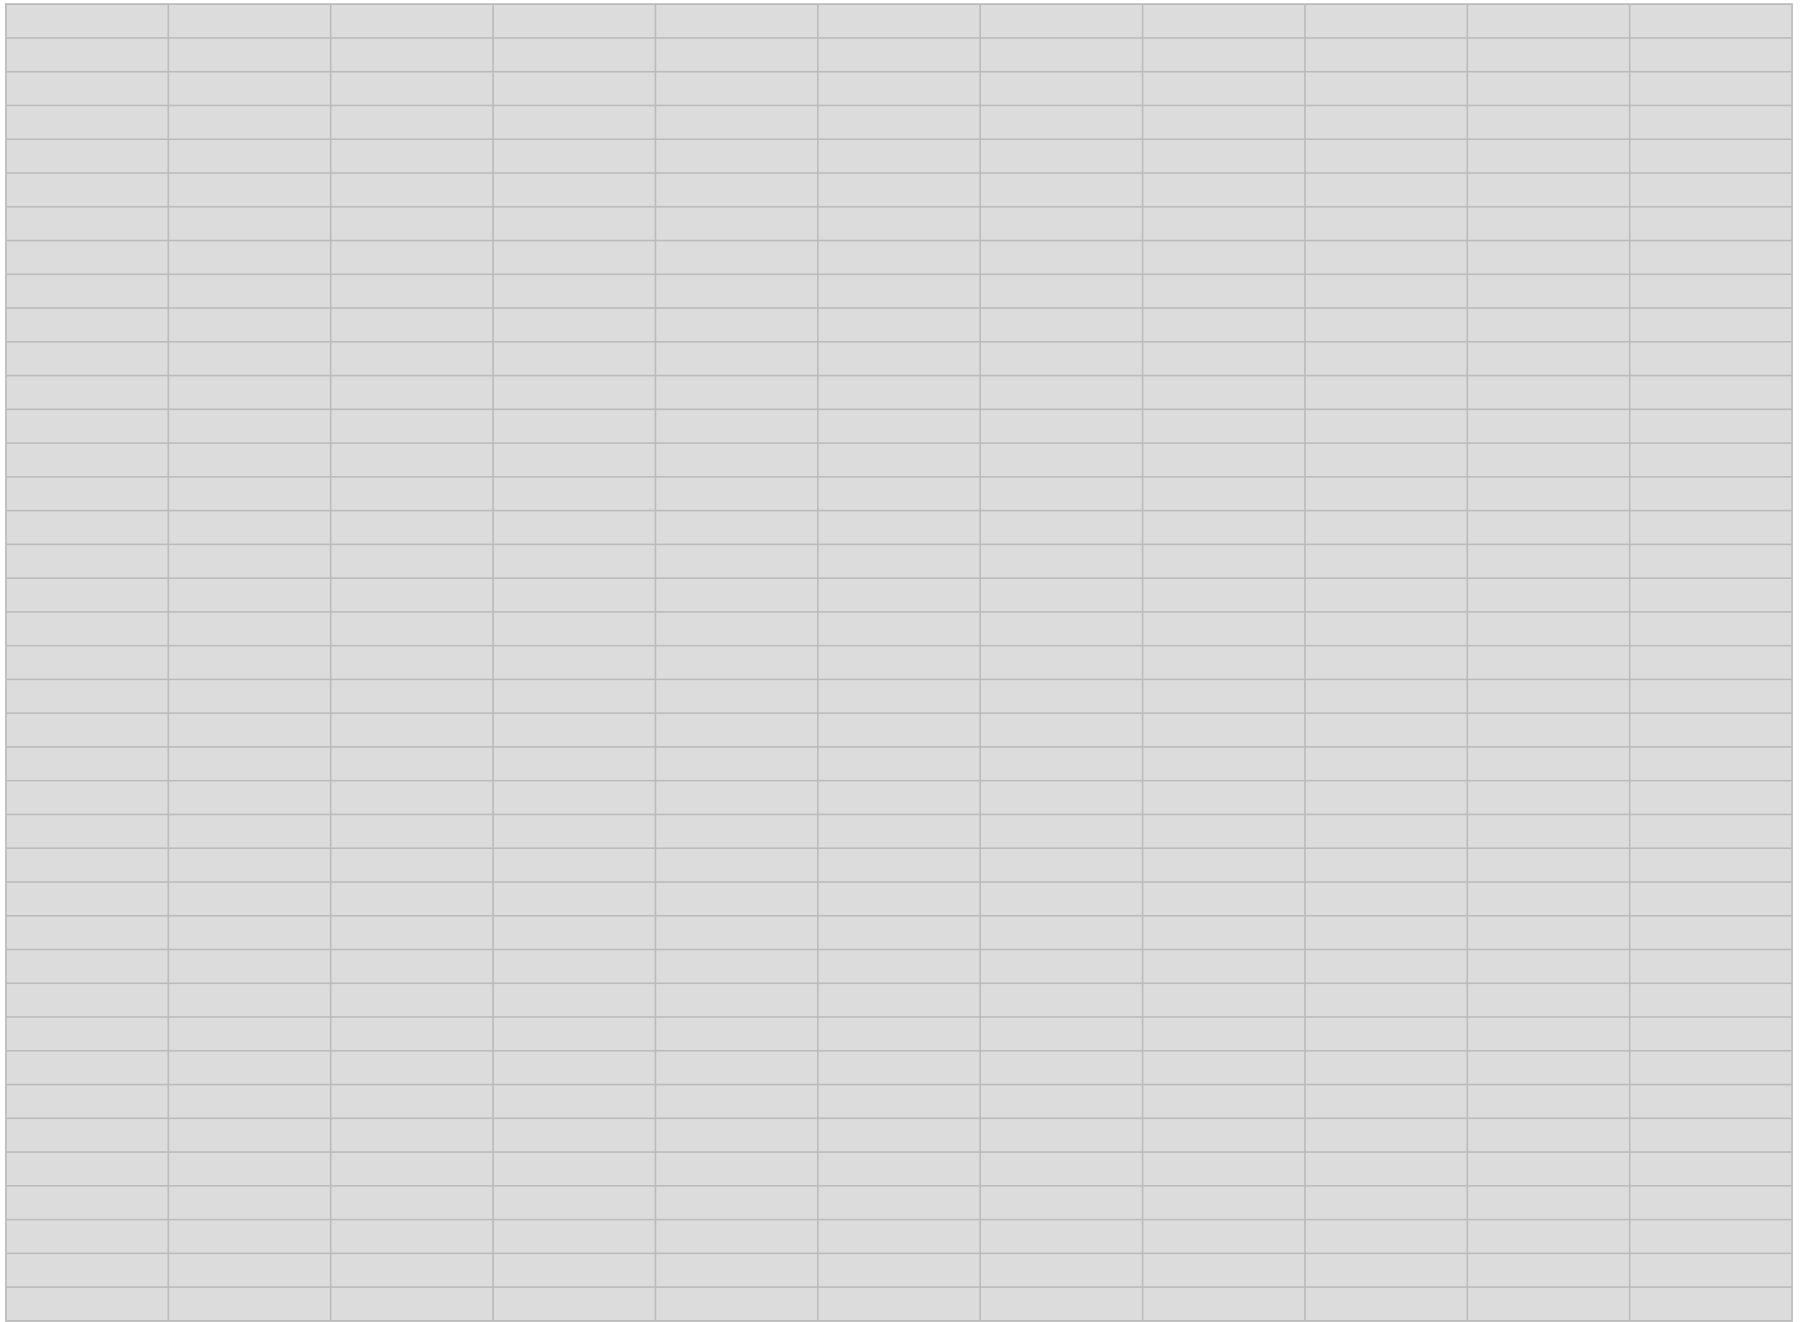

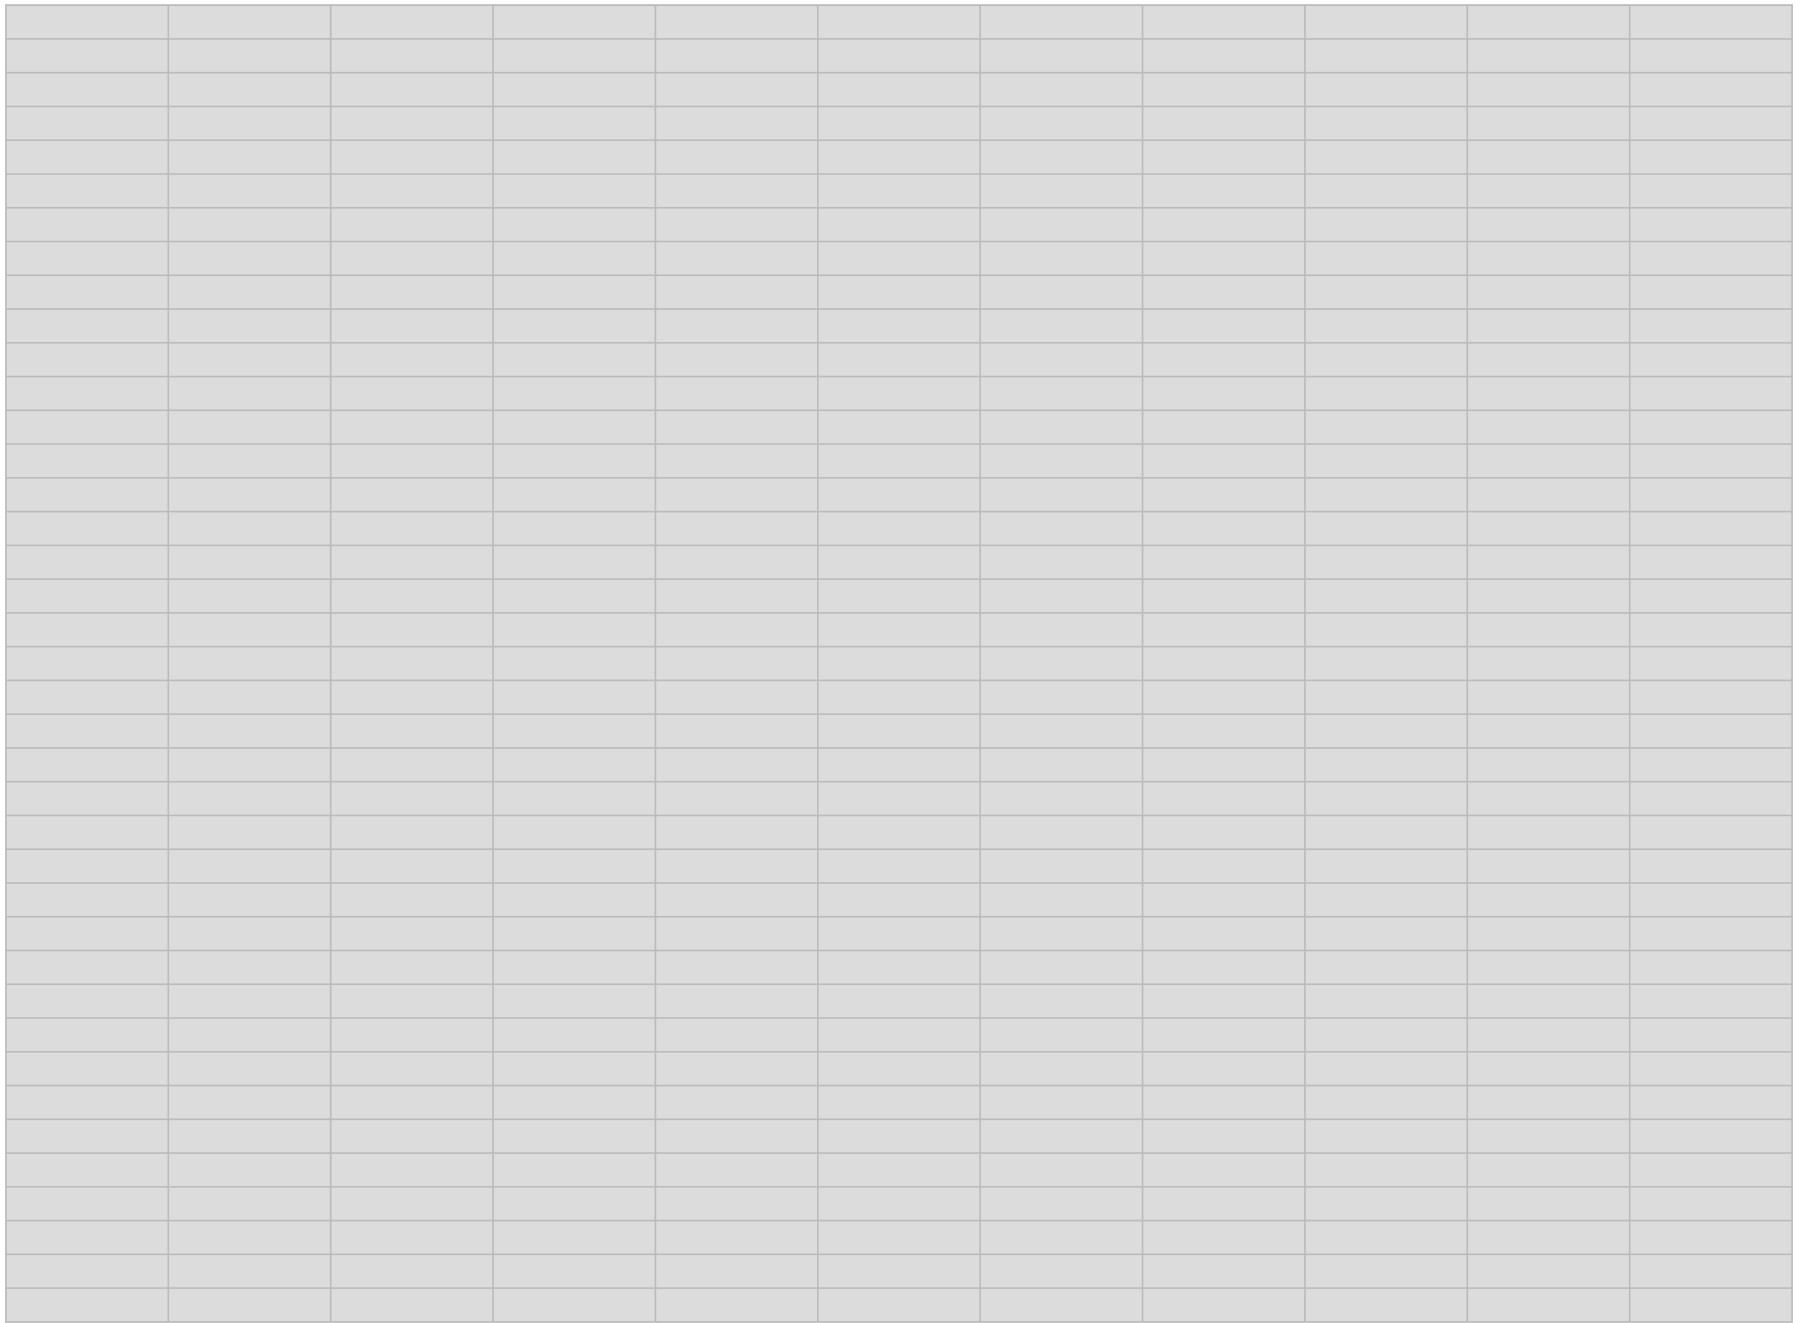

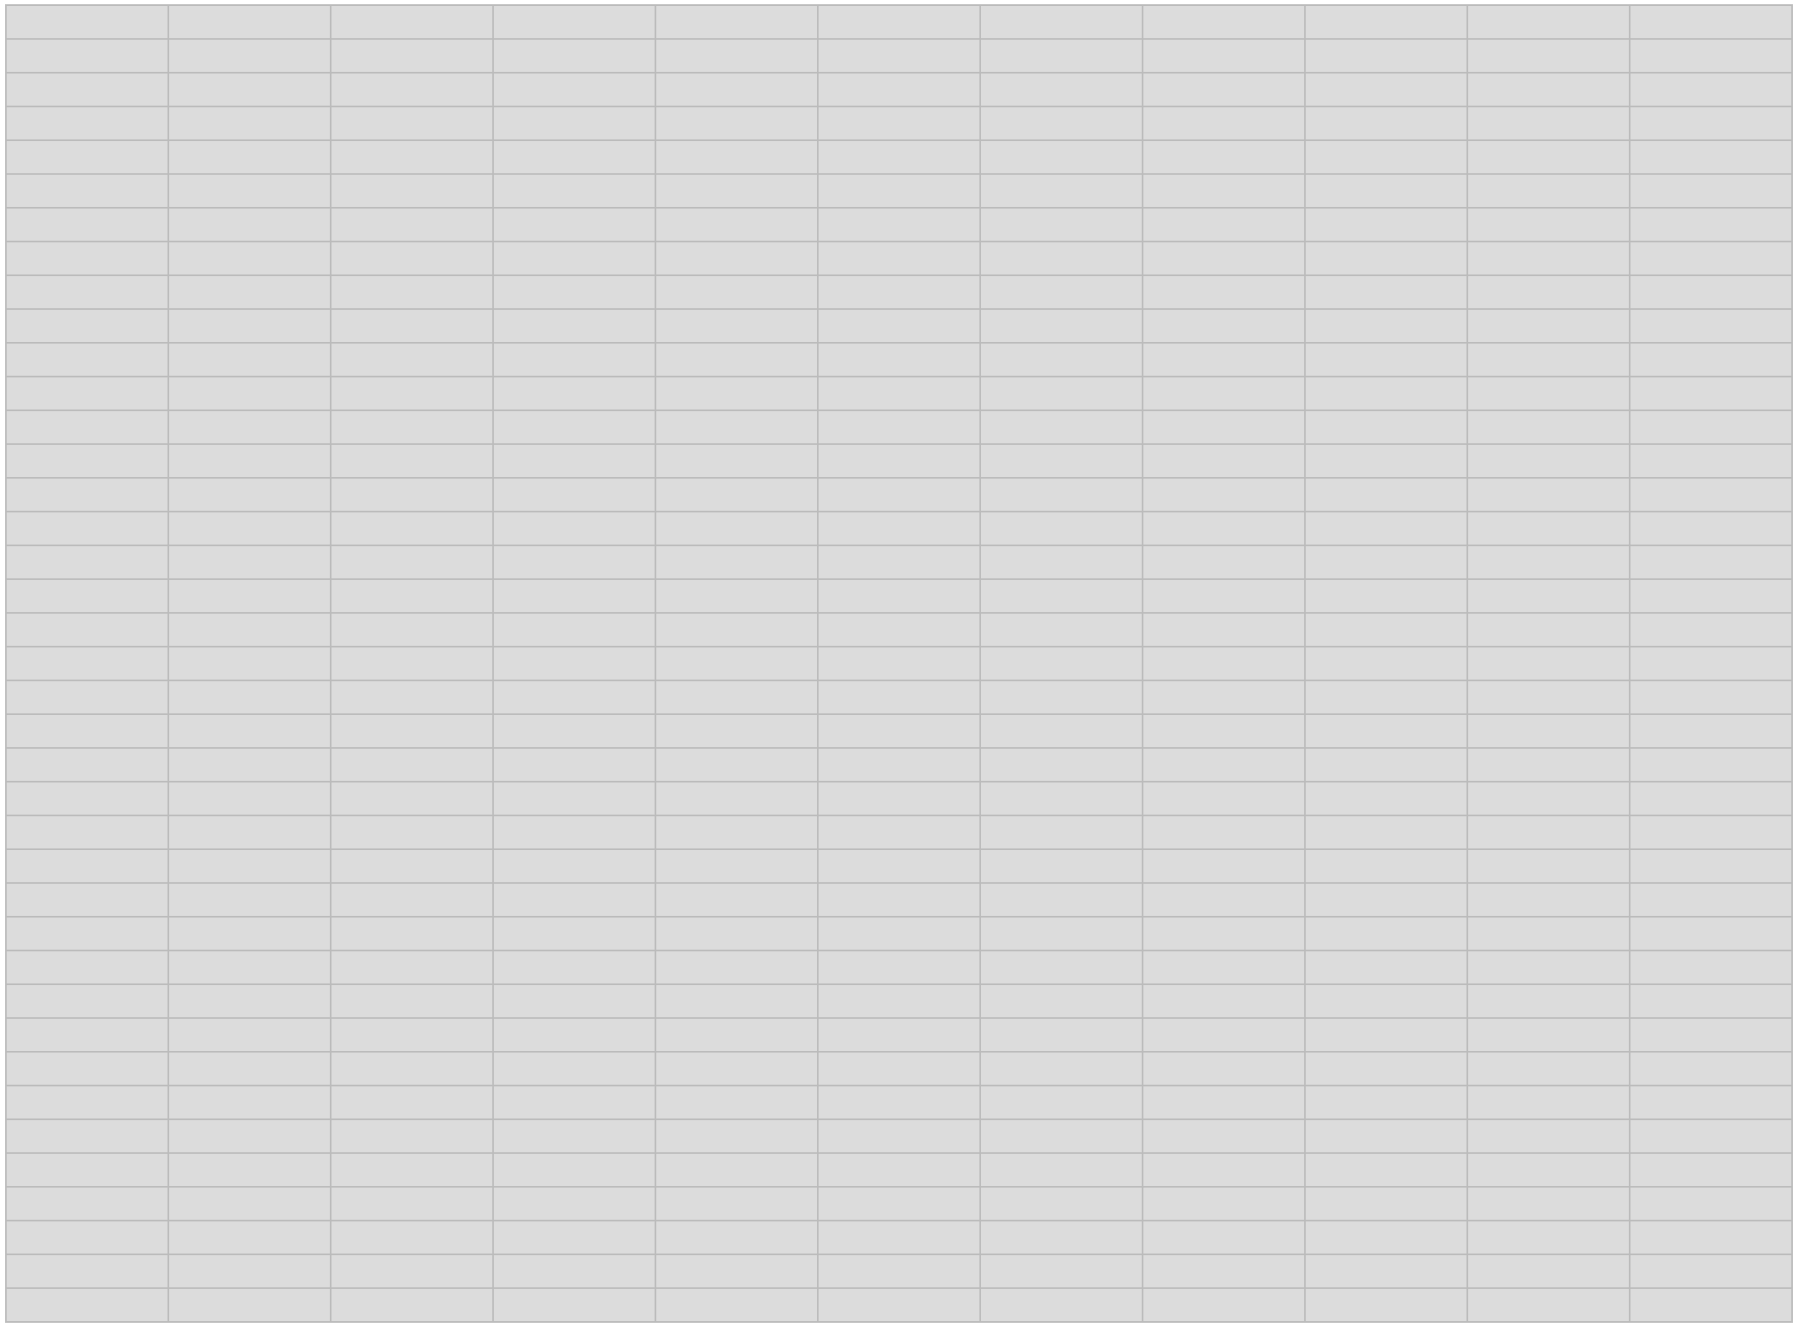

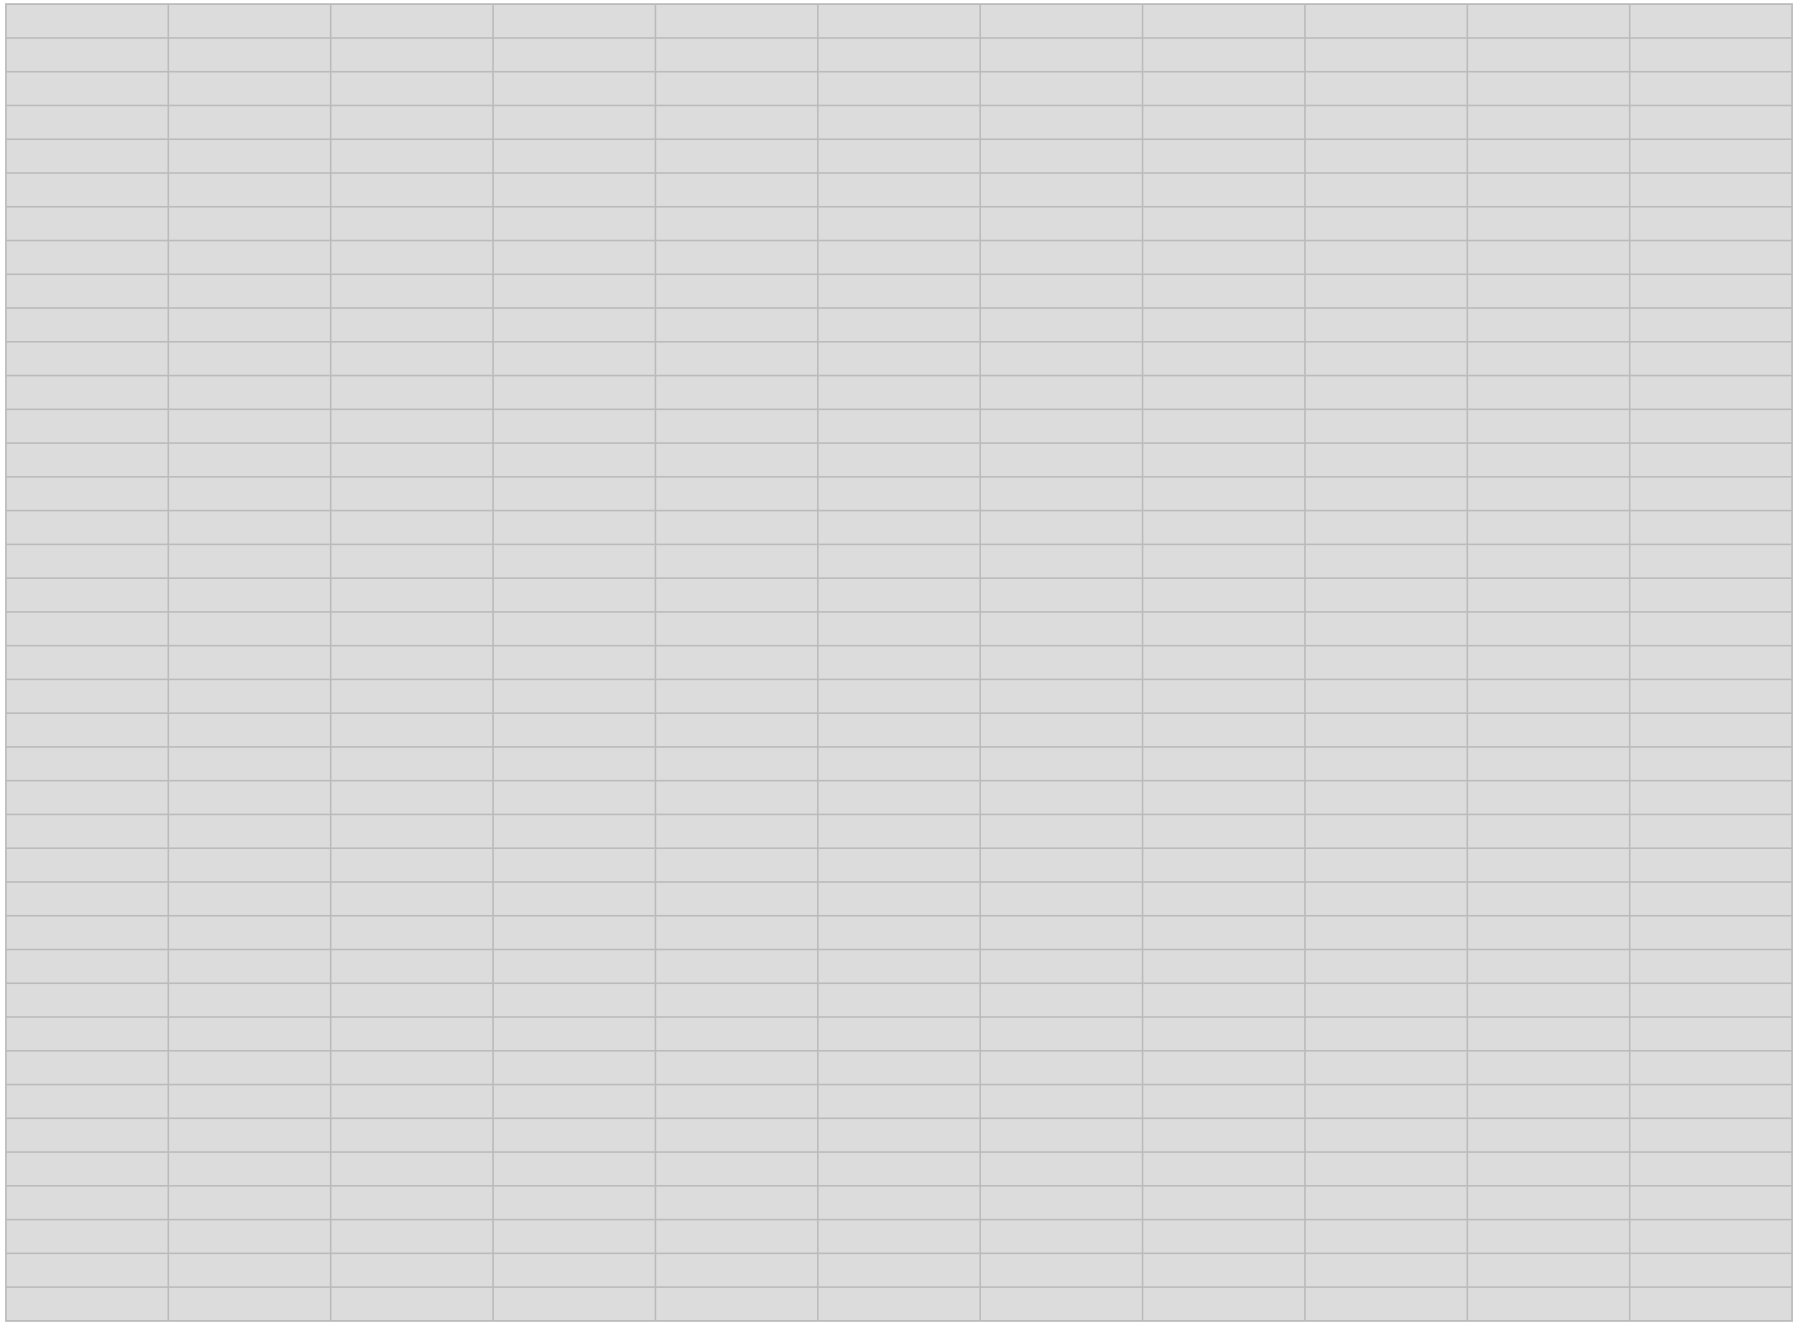

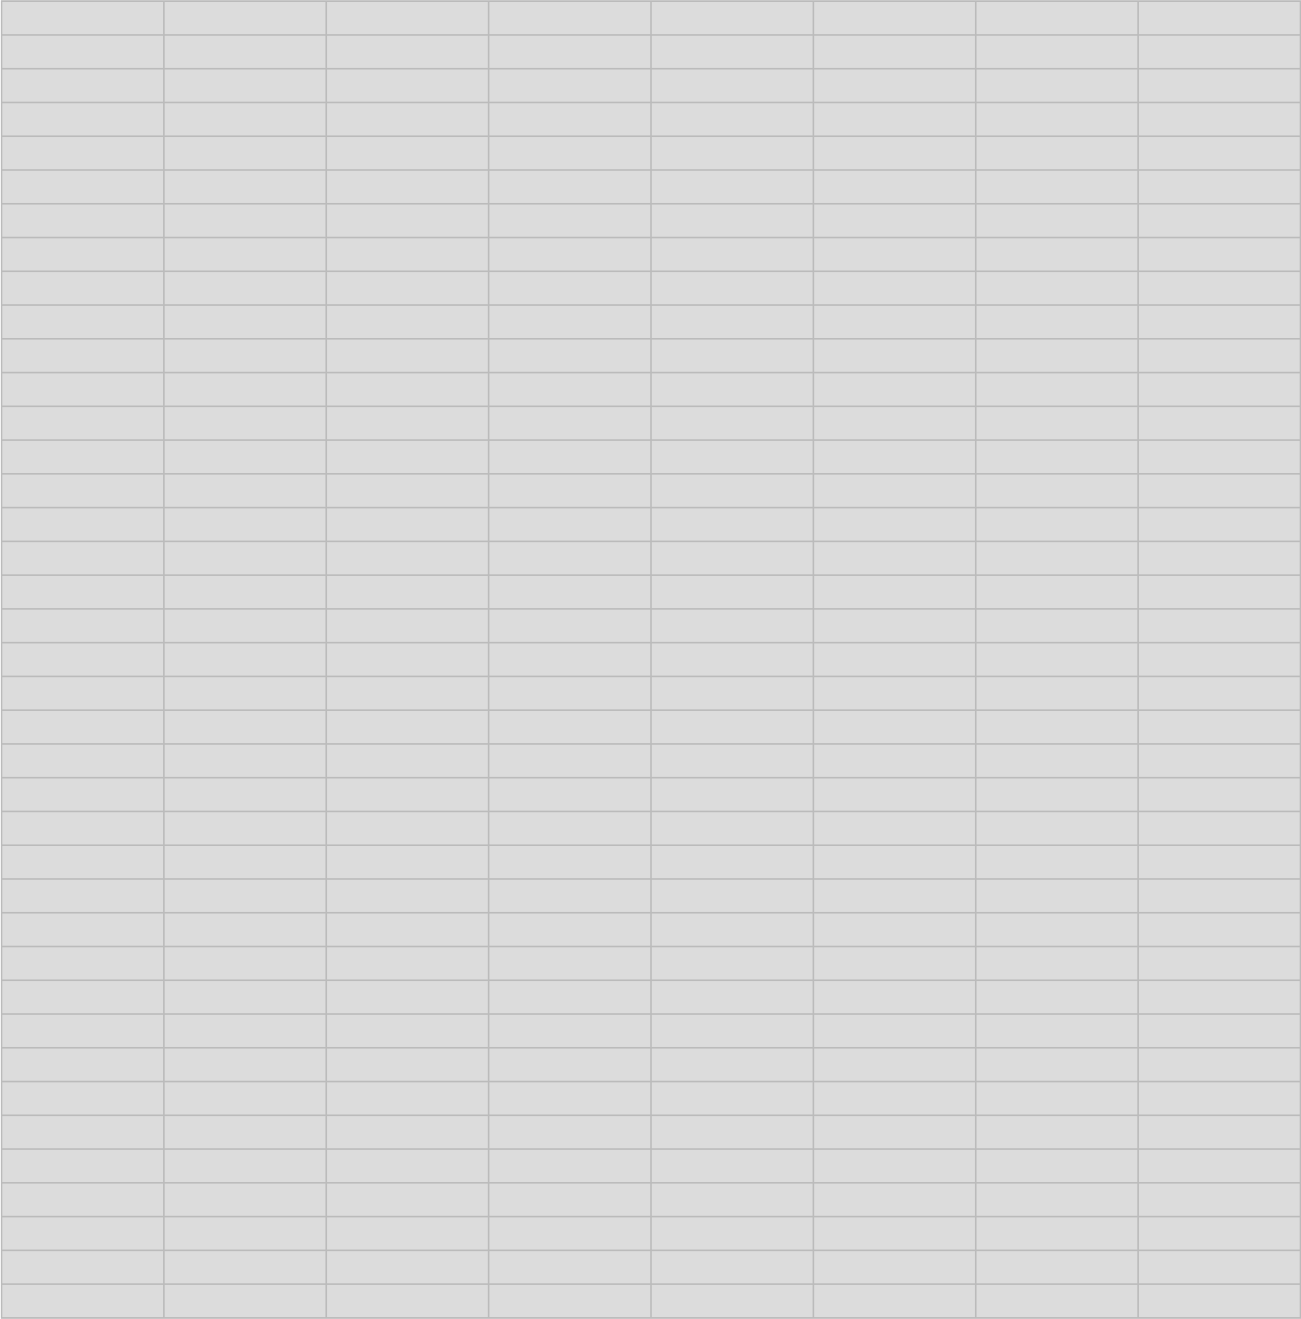

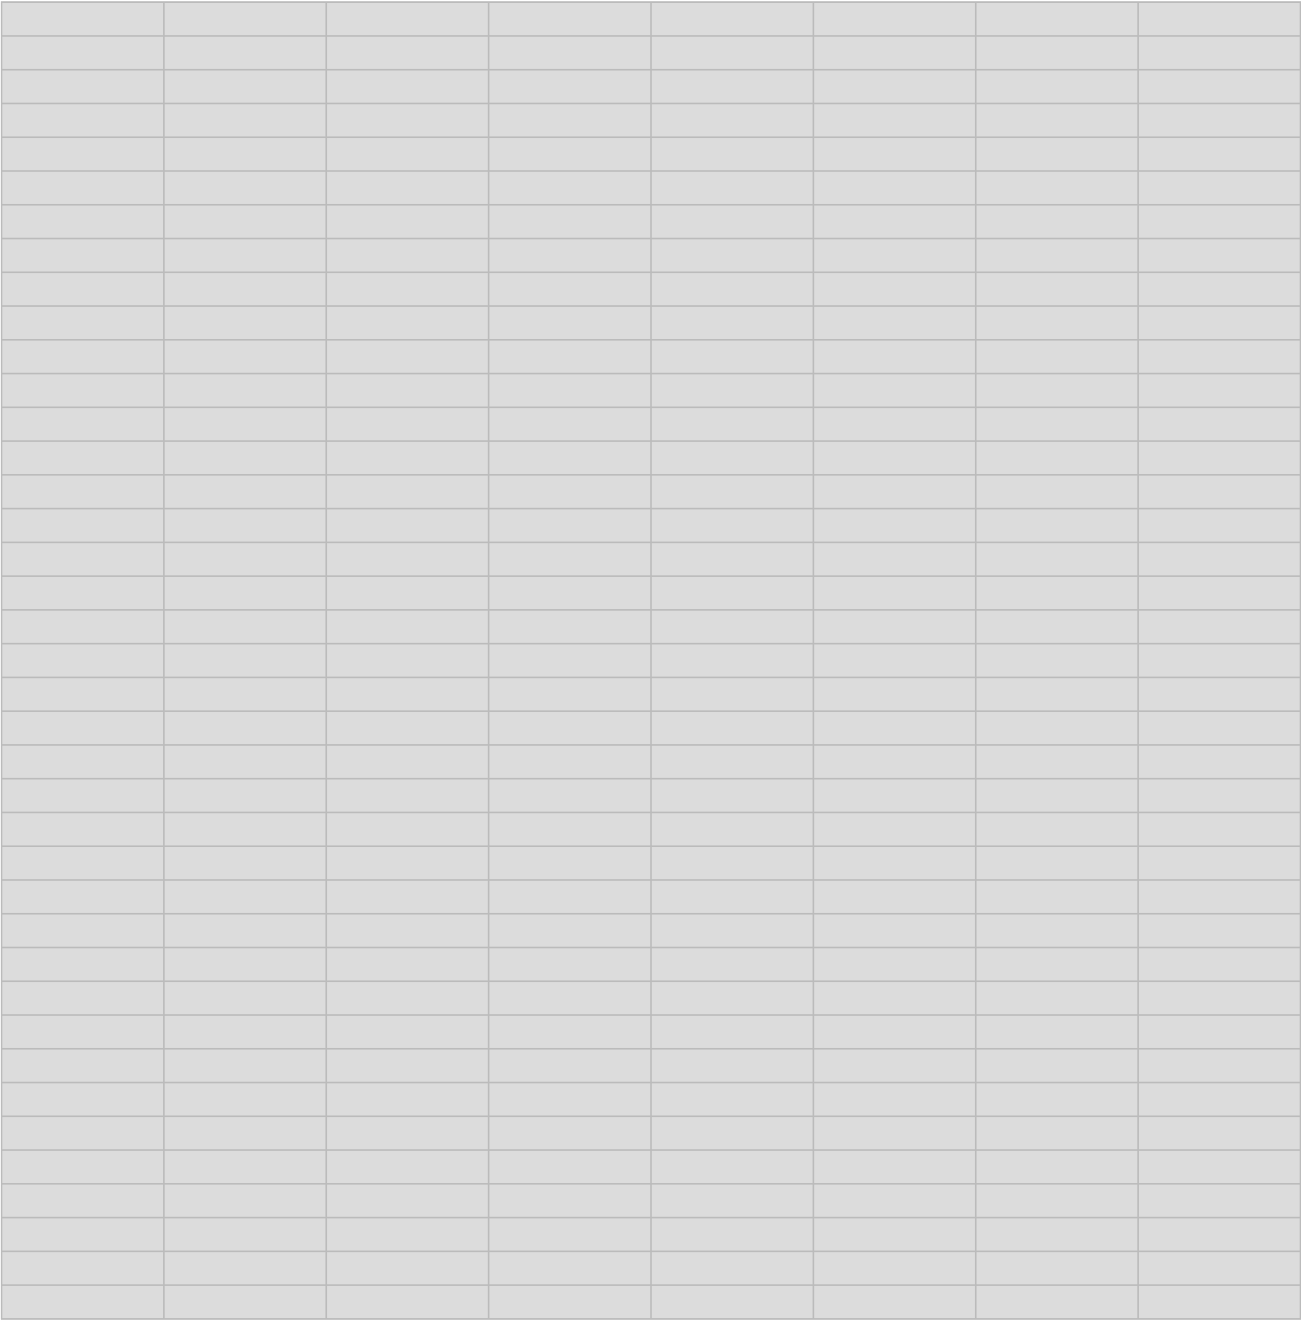

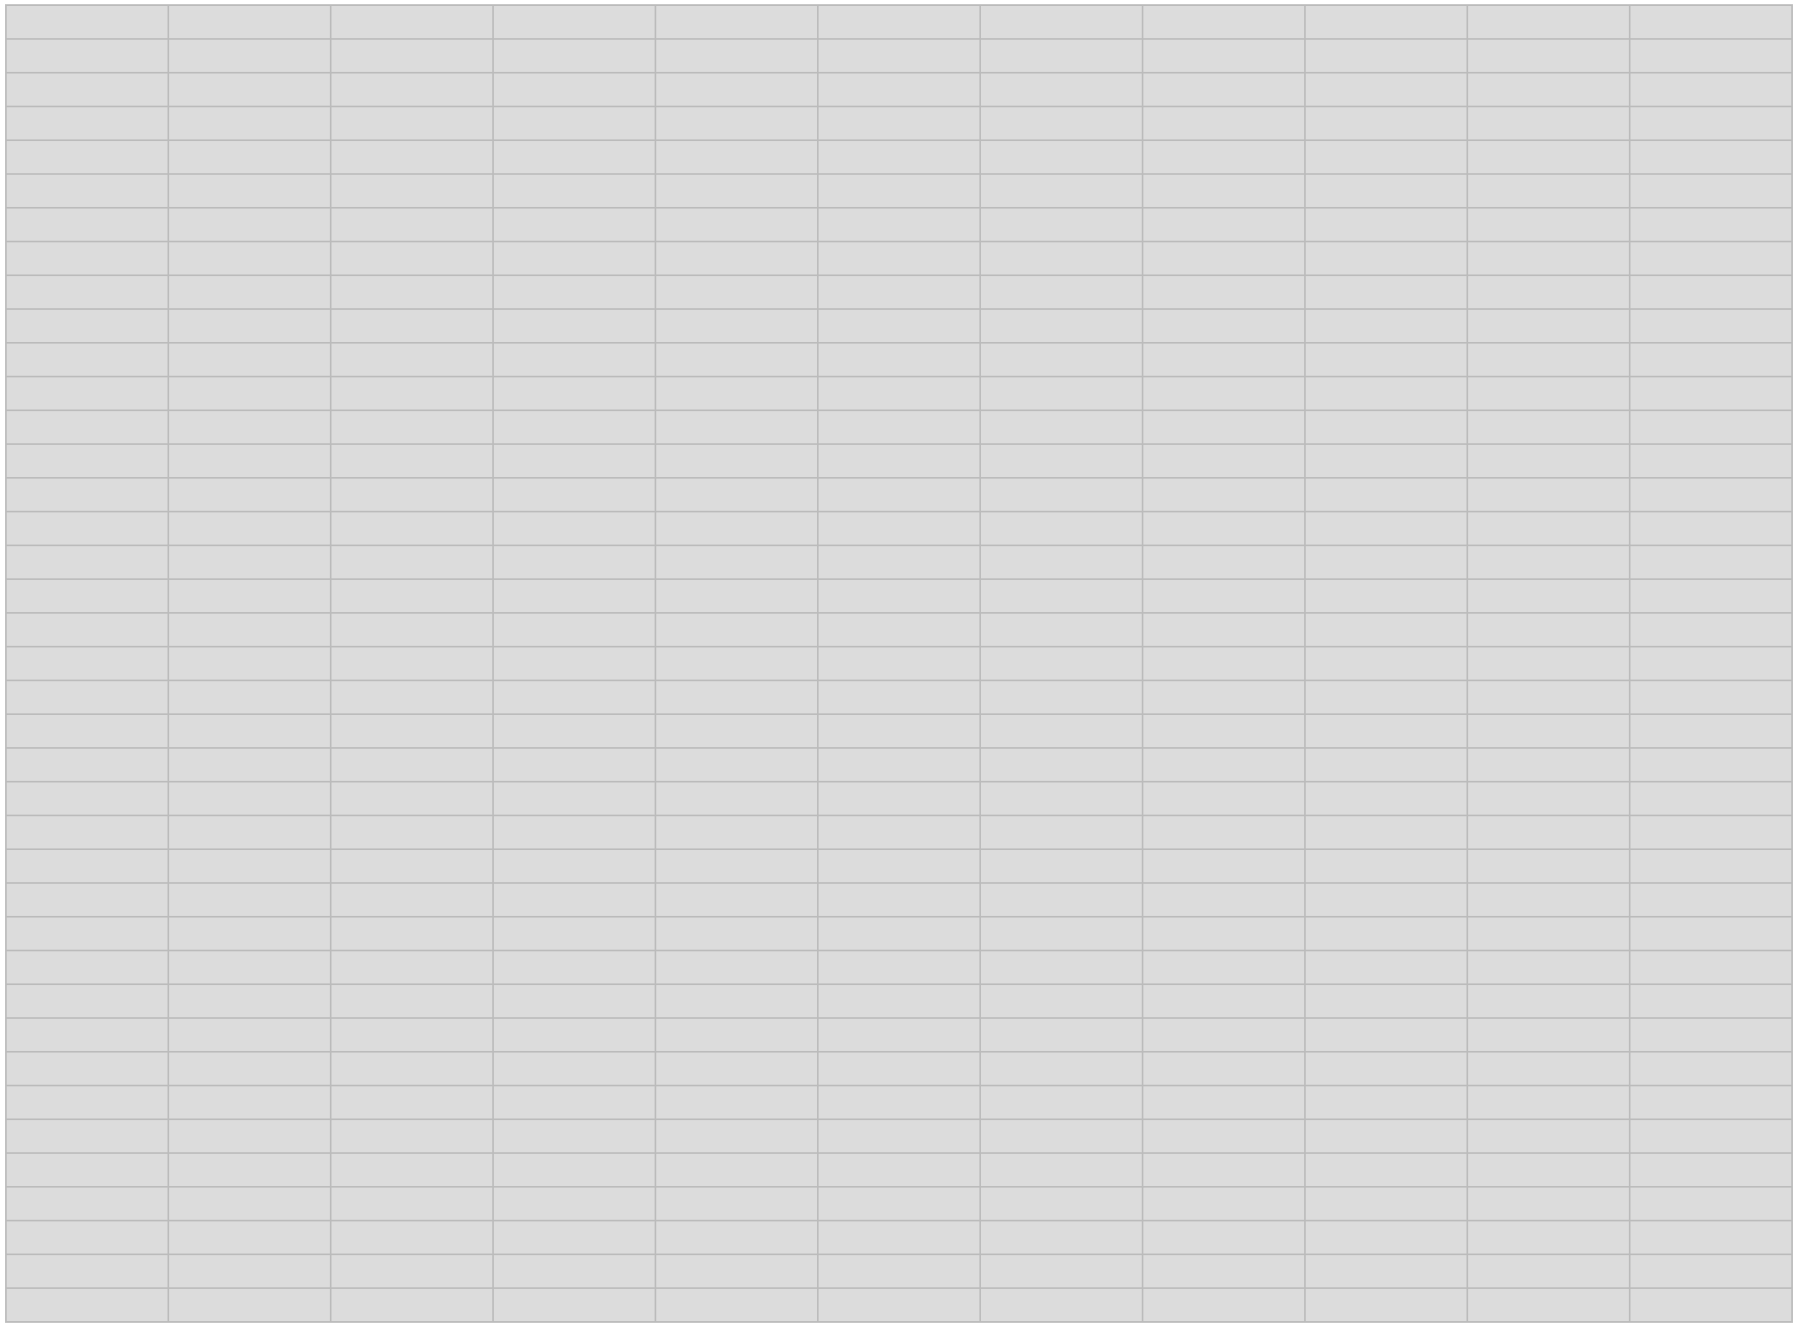

A large grid of 20 columns and 30 rows, resembling graph paper or a data table. The grid is composed of thin gray lines forming a uniform pattern of small squares. The grid is centered on the page and occupies most of the available space.

The image displays a large, empty grid of 20 columns and 30 rows. The grid is composed of thin, light gray lines forming a uniform pattern of small squares. The grid is centered on a white background and occupies most of the page's width and height. There are no markings, text, or data within the grid cells.

This image shows a large, empty grid with 12 columns and 30 rows. The grid is composed of a series of small, uniform rectangular cells, all of which are currently blank. The grid is centered on the page and is surrounded by a white background.
