

Interview with the Sellers

Thank you for touring our home. We would like to share some information that we felt might help you in deciding on your new home.

1. Why did you decide to buy this home for yourself?

We fell in love with Longwood back when it was being built. The golf course, the tree-lined streets and the beautiful homes that were being built attracted us here. We were interested in buying a home in the Cy-Fair school district where the schools are top-rated. We love our home because of the layout. We love having the master down and 3 bedrooms upstairs, along with the media room, study and dining room. We love the extended and oversize garage that gives us plenty of room to park and where my husband put in a workbench for all of his projects.

2. What do you think are the best features of your home?

We LOVE our pool! It has been a great backyard for entertaining and we love having friends over to sit around the palapa and enjoy a meal after swimming or sunning. We spend a lot of time in our updated kitchen – love my double ovens and the view to the backyard! The built-in breakfront in the dining room offers lot of storage for china and crystal. The media room also has a built-in for a large TV and is a wonderful retreat upstairs.

3. Tell me about your neighborhood.

We love, love, love Longwood! We have met some great friends and love all of the amenities. The two neighborhood parks are wonderful and offer playground equipment for children of all ages. Along with the public golf course, there are also tennis courts, picnic tables and wonderful sidewalks to walk. The fishpond is stocked with fish and we often see kids (and adults) throwing a line out! Longwood is convenient to 290, the Grand Parkway and Beltway 8. With the widening of Highway 290 now complete, it is much easier and faster to get into Houston when you want to.

4. What are your favorite places for recreation, shopping, and eating nearby?

We can play golf or tennis right here in Longwood and the golf course offers three 9-hole courses. The parks and swimming pools are nearby and many people are seen walking, jogging, and riding bikes here. The Houston Premium Outlet mall is wonderful and a shopper's dream with over 145 designer and name-brand outlet stores! We like to go to both Vintage Park and the Boardwalk at Towne Lake for really good restaurants and shopping. New restaurants are always popping up and the area now offers a lot of choices. My favorite gift store is Magpies on Barker Cypress. There are 3 HEB stores that I frequent that are all within 2 miles of me

5. Are there any items you want specifically excluded?

We will be taking all of our outdoor furniture with us (except the stools at the palapa).
