

40 Hollingers Island Special Showing Instructions due to Covid-19 Virus

At the gate: #110. It calls my cell for entry.

Please use the shoe covers (as we never allow shoes or pets upstairs, but in this current climate, we prefer to take all precautions). We also have latex gloves (preferred) or hand sanitizer (if allergic to latex), so please protect us and yourselves during the showing. On the first showing, we'd prefer no children. Thank you so much, and please excuse certain areas as we began pulling from closets and re-organizing during "quarantine"
