

Good Cents®

C E R T I F I C A T E

The residence located at

16938 CARBRIDGE

has been certified by the builder to contain certain construction features, as set forth in Houston Lighting & Power Company's Good Cents Home Program, which contribute to the efficient use of energy.

These combined features can significantly reduce the amount of energy necessary for normal heating, cooling and water heating. Based upon the representations of your builder, this home has therefore qualified as a Good Cents Home as certified by HLEP on this 8 day of DEC, 19 93.
